**Latest by Telegraph.**  
Washington, March 28.  
The Constitution of this morning says  
that no minister was ever treated with more  
kindness and consideration by his government,  
than the late minister to Mexico, Mr.  
Forrestal, whose resignation has been  
accepted by the President. It was  
thought that he was to be sent to  
Mexico, but he was actually ordered to  
return to his home, and the President  
has ordered that he should be treated  
with the same consideration as if he  
were still a member of the Cabinet.  
The President has also ordered that  
he should be allowed to retain his rank  
and pay as if he were still a member  
of the Cabinet.

other points on the border, and prominent par-  
ties here are cognizant of the movement.
