About 80 of Geo. Reimund's friends gathered at his home in Monroe township last Saturday, and gave Mr. Reimund a pleasant surprise when he returned from town in the afternoon. The occasion was Mr. Reimund's birthday, and he now thanks his friends for the many tokens of regard which were given him.

Back Again.
Friends will be glad to welcome Johnny Polker back to Napoleon. He has purchased Fred. Brinkman's interest in the boot and shoe store, and has formed a partnership with Mr. W. Shoven, the firm name now being Polker & Westhoven. Mr. Polker for the past few years has been in the shoe business in Toledo and Detroit, which gives him an experience in the boot and shoe trade which enables him to give inside figures to customers. We wish him success in his new venture. Mr. Brinkman remains in the store, where he has a general repair shop.

Change in the Probate Judge's Office.
On to-morrow, February 9th, Probate Judge Donnelly's term will expire, when he will be succeeded by Hon. John V. Caff, who was elected last fall.

Judge Donnelly retires with honor and credit, he having made a judge in every sense of the term. No man has ever filled the Probate office in Henry county more ably, impartially, conscientiously and fearlessly than Judge Donnelly. He has made an excellent record for himself during his six years' incumbency, and in doing so has not only reflected honor upon himself but his party as well. We understand the Judge intends returning to the practice of law and that he will open an office here in the near future. The people regret to see him leave the Probate office, but glad that he is to be succeeded by one so ably fitted for the position as Mr. Caff, who goes into office with the confidence and best wishes of the people generally. That he will make an upright and just Judge none dispute, as he has all the necessary requirements for the honorable position to which the people have chosen him.

Miss Nellie Brown is to be retained as deputy in the office, the position which she has so faithfully occupied during Judge Donnelly's term.

Phillip C. Schwab Dead.
The announcement Monday morning of the death of Phillip C. Schwab, of Pleasant township, casts a deep gloom over his many friends and acquaintances in Napoleon. The "Squire" had been in the county seat a few days before in his apparent good health, which made the announcement of his death the more startling. We understand his death was caused from hernia of the abdomen, and that his suffering were not of long duration.

Mr. Schwab was well known throughout the county and was one of the most prominent citizens in the community in which he lived. His fellow citizens had honored him with positions of trust, and at the time of his death he was a Justice of the Peace of his township and one of the County School Examiners, a position which he had held for a number of years with credit and ability. He was a devout member of the Catholic church, being one of the main-stays of the church on the South Ridge.

As a democrat he was uncompromising; was always found working for the advancement of his party, and was one of the best known politicians in the county. His demise will be a great loss to the Democrats of Pleasant township, as it is to the entire county.

He leaves a wife and a family to mourn their loss. Peace be to his ashes.

Officer Re-elected.

On Monday Deputy Sheriff Thiessen repaired to the home of John Klunder in Pleasant township, near Holgate, to sell some personal property which had been levied upon by execution. When he arrived at his destination he was met by the old man with a rifle, the son with a revolver, and the old woman with a good sized club, and threatened with bodily harm if he attempted to remove the property.

The Deputy thereupon showed his authority for proceeding with the sale but the Klunder's couldn't see it in that light, and threatened to kill him if he touched the property. The sale was made all the same, but the purchasers were not allowed to remove the property, the rifle, revolver and club protecting it as against the deputy and purchasers.

Mr. Thiessen, valuing his life as far superior to that of the property, returned home and swore out a warrant for the arrest of the parties for resisting an officer, and the additional charge against the male member of the family with pointing his arms.

Early Tuesday morning, Sheriff Decker, Deputy Thiessen, Clerk Brown and a number of others, well armed and provided with the necessary papers, visited the Klunder place, captured their prisoners and safely housed them in the county jail. They were given a hearing before "Squire Printz" yesterday, when Klunder pled guilty to the charge of resisting an officer and was fined \$20 and costs. The mother pled guilty to her charge of assault and was fined \$10 and costs. Both of these fines were paid. The son will have his trial for resisting an officer on the 28th, he being released on \$500 bail.

The Klunder have the reputation of being a little reckless with fire arms, and this occurrence is not the first time they threatened to shoot. In fact it is reported that the elder Klunder shot and killed a man in the old county jail. They are evidently a tough set.

Harriet E. Ball, of Waynesville, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration and a general shattered condition of the whole system. Had given up all hope of getting well. Had tried three doctors with no relief. Had a bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I cannot recommend it too highly." Sold by D. J. Humphrey, Napoleon, O., Aug. 10, 17.

THROUGH THE ICE.
Nearly 200 Colored Converts Baptized in a Canoe at Indianapolis.

INDIANAPOLIS, Feb. 6.—The extraordinary spectacle of an outdoor baptism in midwinter was witnessed Sunday along the banks of the canal. The converts, numbering nearly 200, were the fruits of a colored Baptist church in the West End. The ice was cut away so that the candidates could be led down into the water, and for several hours the enthusiasts lined the banks, shouting, singing and praying. Occasionally a timid convert would shiver and hesitate, as the icy cold water touched his quivering flesh, but the cry of the good old brethren and sisters, "Get religion; get the true faith and the water will be warm," re-enforced their resolution and there was no further hesitation.

Monday.
HOUSE—Bills introduced: Increasing the fees to be paid to the secretary of state; appropriating to the Ohio State university the money arising from the special levy under the Hysell law; amending the game laws; amending next year to give county commissioners the power of bring and defending all suits in law and equity involving injury to any public road, bridge or dam.
