

New Time Table on the Cadiz Branch.

Trains leave Cadiz now as follows—4:45 A. M., and 3:45 P. M. The train that leaves at 4:45 A. M., makes a close connection at the Junction with the passenger train going West; and also connects with the passenger train going East.

CAMPAIGN SENTINEL.

THE CADIZ SENTINEL is always a campaign paper—as good, perhaps, as can be found anywhere. It can be had for any length of time that may be wanted, and will be sent to any address, provided the cash shall accompany the order.

The finest Fair ever held in Harrison county will come off on the 5th, 6th and 7th days of October, 1864.

Mr. Wm. P. Brady offers 240 acres of valuable land in Brooke county, Virginia, for sale in to-day's paper. See advertisement.

We had a call on Monday from our friend, Sergeant James Hearn, late of the 30th Ohio. Sergeant H. has served his three years honorably and creditably, and is now at home out of the service.

A good change to invest greenbacks will be found in our advertising columns to-day, under the head of "1200 acres of valuable land for sale."

Everybody is coming or should come to the Harrison County Fair the 5th, 6th and 7th days of October next.

Our thanks are due to our old friend, James Stewart, of Steek township, for a fine lot of apples, potatoes and rearing ears.

Nothing cheers an editor so much as his laborer's to be kindly and liberally remembered by his friends.

Remember, the Harrison County Fair comes off two weeks from to-day, Wednesday, October 5, 1864.

Exchange Hotel, Columbus. The attention of persons visiting Columbus is directed to the card of the above House in to-day's paper. Mr. Knuffman, the proprietor, knows all about keeping a hotel, and has been engaged in that business in Chicago, Indianapolis, Cincinnati, and in late years the popular and accomplished clerk at the American House, Columbus.

The following local items we copy from last week's Cadiz Republic:

We regret to learn that John McKee, of the 98th Regiment, Ohio, died at Columbus Sabbath last. He had been sick for some time and was in his home, in care of his cousin, when he died. He will be buried to-day (Tuesday) in the Cadiz Cemetery.

Promoted.—We are pleased to learn that Joseph Dickerson, of the 30th Regt., son of Joseph Dickerson of Athens Township, has been promoted to a Lieutenant. Mr. D. has been in the service for upwards of three years, and has acted well his part as a soldier.

At Home.—Capt. Hamilton, of the 43d Ohio, is at home superintending the organization of the 188th Regiment—the new regiment being organized in this District.—The Captain is an efficient and popular officer, having risen from the ranks to the command of his company.

Reverts.—The townships of Short-creek, Greens and Steek have raised their quota of men, and Cadiz township lacks but three or four of its quota. No towns, so far as we are advised, is being made in the other townships of this county.

New Goods.—Coleman & Grimes have received a large and superb stock of Fall and Winter Goods, which they offer to the public on as good terms as they are to be had at any other house.

H. S. McFadden & Co. have also received a supply of new goods, suitable to the season to which they invite the attention of their customers.

T. J. Brown has just returned from the East where he has been laying in his Fall and Winter goods. They will be on hand in a few days.

Guss, Brown has also been East laying in a large assortment of clothing, which will arrive to-day or to-morrow.

POOR TRUST IS DEAD!

He joined the Union army, While winters blasts blew cold; My little and youthful brother, With spirit true and bold.

Though oft we've roamed in childhood, He's gone from home afar; To join the struggling columns, The brightening camp of war.

And when fair spring was budding, He had reached the southern clime; He, with his musket shouldered, To the drum was keeping time.

But just as spring was waning, And the leaves began to fall; When nature seemed as passing, To the stern destroyers call.

Just as our lives were marching, To the oncoming trumpet's call; He was struck, my soldier brother, By a hostile musket ball.

Oh God! what awful carnage, Will this land of Christian light, Still faster and uphold it, 'Till we're left in darkness, night.

We find in every homestead, Both humble and of rank, There is a mourning member, A direful, blighting plank.

They left their homes all hopeful, As lovers parted in the night; But they've left them oh, forever, These distant graves to fill.

We will miss them when we're aged, When youth has ceased to burn; For TENS and THENS of thousands Will never more return.

For the Sentinel: U. S. A. GEN. HOSPITAL, FREDERICK MD., Sept. 12 1864. DIED.—At Frederick Hospital, Sept. 3, 1864, Corporal James Love, of Co. H, 126th Ohio Regiment, in the 26th year of his age.

U. S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable from August 15th, 1861, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from the date, as the Government may direct. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the subscribers free of transportation charges as soon after the receipt of the original certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one-quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan. It is a NATIONAL SAVINGS BANK, affording a higher rate of interest than any other, and the best security. Any savings bank which pays its deposits in U. S. Notes, considers that it is paying in the best circulating medium in the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts. Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, over the current rate of 5-20 Bonds is not less than one per cent. premium, and before the war the premium on six per cent U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum. ITS EXEMPTION FROM STATE AND MUNICIPAL TAXATION.

But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer any greater inducements to investors than those issued by the government. In all cases of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only is pledged for payment, while the whole property of the country is held to secure the discharge of the debt of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.
