Why We Cure by Treating the Nerves.

We claim that if the nervous system be normal, then all other parts of the body MUST be healthy ergo, NEURO-MAGNETIC TREATMENTS appeal to the nervous system direct.

To quote James Paxton, the eminent physiologist, "The nervous system is destined to REGULATE the functions of the animal economy." * * * It has been said with much truth that the NERVOUS SYSTEM is, in fact, ALL THE ANIMAL, the other systems existing only to nourish and defend it.

We use no drugs, neither do we charge a fee for diagnosing and prescribing treatment.

DEATH CLAIMS JAMES WALTON

Dies at Home of Brother Thursday.

MOST REMARKABLE LIFE

Brought to a Close by Stroke of Paralysis

Had Twice Walked From Marion to California—Resided in Spokane Washington.

After lingering seven days without an indication of recovering consciousness, James Walton, aged 50, of Spokane, Washington, died at the home of his brother, M. V. Walton near Kirkpatrick, at 8 o'clock Thursday evening. A week ago he suffered a stroke of paralysis and during the past several days his life slowly ebbed away.

The deceased has had a most remarkable life record. At the age of 20 years he left his father's residence, Crazed by the gold fever which was spread by the discovery of gold in California, the lad started to walk for the great west. He left his home, located at that time in the eastern part of this county and walked over 3,000 miles, arriving at the Pacific coast just 100 days after the time of starting.

He was successful in California and attained great wealth. Later he retired from active work in the gold mines and spent several years travelling. In the year 1899 he returned to the home of his parents and remained in this county for two years.

In 1902 Mr. Walton walked to California, covering the distance this time in about 125 days. After wandering through the west for a score of years he finally located at Spokane, Washington.

He came here about six months ago to enjoy an extended visit with his brother. He was apparently in the best of health until the time he was stricken with paralysis.

Besides the brother at whose home death occurred, two sisters survive. They are, Mrs. Martha Kennedy of Bellevue avenue, this city; Mrs. LeVina Robison of Mt. Combs, Ohio.

Funeral services will be conducted from the Kirkpatrick Methodist church, Saturday afternoon at 2 o'clock. Rev. C. L. Cole officiating. Interment will be made in the Kirkpatrick cemetery.
