OBITUARY

Ella Rawlings Shadle was born in Milford, New Jersey, January 12th, 1854. She came from New Jersey to Fulton County, Ohio in 1873 with her parents and lived in Ottokree. She was married to Harvey Shadle on August 30th, 1874 and began with him their united career on the old Shadle homestead. To this union was born one daughter who died April 10th, 1900, leaving one son, Milford Mattison, who is still living.

Mrs. Shadle became a member of the Methodist Episcopal Church in Ottokree forty-five years ago and remained a faithful member all these years. She never ceased in her efforts to build up the church of her choice. The church meant more to her than any other institution and she manifested an unusual zeal for its prosperity.

With her husband, she moved from the old homestead south of Ottokree to Wauseon two years ago, where they hoped to spend a few pleasant years and to enjoy together the blessings of their faith and toil. But how uncertain is life here. Unexpectedly we are cut off and fly away.

Mrs. Shadle became ill on Saturday, six weeks ago and all this time she realized that this was her last illness. She felt like Paul who said: "I am ready to be offered up. I have no life here only to live here only to live with her Lord. She died on Sunday, October 30th, 1921, at the age of 67 years, 9 months and 18 days. She leaves to mourn their loss a devoted husband, one grandson, Milford Mattison; one sister, Mrs. Belle Gordon; two nieces, Mrs. Carrie Vliet of Charleston, South Carolina and Mrs. Mame Lewis of Bloomsbury, of Bloomsbury, New Jersey.

Funeral services were held at Ottokree, Nov. 2, 1921, the Rev. Frank Morley of West Union, a former pastor, officiating, assisted by Rev. S. R. Dunham of Wauseon.

Care of Thanks

We wish to express our deep gratitude to our many friends who many kindnesses have comforted us in this time of sorrow.

The parade will start at the Dimke store and march south on Fulton around South Park and back on Fulton.

The First Monthly Meeting of the Wauseon Parent-Teachers Association was held at the High School Auditorium on Wednesday evening, Nov. 7. At this meeting the chairman appointed a committee to draft a Constitution for the Association in view of the fact that the State and Federal organizations. The following officers for the current year were elected:

A very good representation of parents making an affiliation with the organization was present at the meeting. The program was interesting and instructive throughout.

The "Davis Childrens" entertainment, held under the auspices of the grade school on last Friday evening, was decidedly successful. The total receipts for the evening were \$115.17. A portion was paid to the Davis family and the balance was distributed among the first six grades for school purposes.

National School week comes Dec. 4th to 9th inclusive. This will be school visitation week all over the United States. The parents and teachers of the Wauseon Public Schools are particularly invited to visit their schools during that week.

The following is a list of pupils on the Honor Roll in the first six grades of school.

A BEAUTIFUL PHOTOPLAY

"The Faith Healer," a George H. Melford production for Paramount, which will be at the Princess Theatre next Tuesday and Wednesday, Nov. 15 and 16th, for the benefit of The Ladies Aid Society of the Methodist Church is said to be one of the most beautiful pictures produced this season.

The story concerns a young shepherd who feels the divine call to go forth and heal the sick and suffering. When he is at the height of his work, love enters his life, and with the birth of his passion he feels his divine power waning. He is on the point of renouncing his mission, when it dawns upon him that love is a gift of God, and that he can entertain a pure love for the girl and at the same time go on with his work. With this comes a return of his healing power and a renewed consecration to his work, aided by the girl, who also devotes her life to his mission.

This production will appeal to the same classes who saw the Mayflower Production, "The Miracle Man" on Tuesday afternoon, Nov. 15th.

NEW LAW GOVERNING THE HANDLING OF MILK

The legislature passed a law on Oct. 6th which date has been postponed to Nov. 6th. Milk must be sold in bottles or containers and labeled the name of the dairy. The kind of milk, Whole Milk, Pasteurized, Sterilized, also the percent of butter fat.

We are reliably informed that the farmer was the main factor in seeing that this law was passed by representatives in the legislature, the object being to furnish a richer milk and sell more butter fat.

Ohio has always been very lenient in the inspection of their milk product and Milk Plants. Michigan has a very rigid requirements which are enforced by a system of inspection. We think the Ohio legislation are on the right track, as anything the people eat and drink should be produced and sold under clean and sanitary conditions, and we are glad the farmers in the legislature are giving the matter their attention.

MARRIED

Mr. Mende Dangier, formerly of Wauseon and Miss Lillian Held of Philadelphia, Pa., were united in marriage Saturday, November 5th. Mr. Dangier is the son of Mr. and Mrs. M. J. Dangier, and he has spent several years in the United States Navy. Congratulations and best wishes.

The marriage of Miss Clara Geringer of Wauseon and Mr. Byron Sams of Offutt, Kansas, took place at the home of the bride on East Chestnut Street last Wednesday evening, Nov. 2nd. Rev. W. F. Krings performed the ceremony in the presence of about fifty guests.

Mr. and Mrs. Sams will make Wauseon their home for the winter.

WAUSEON DEFEATS BRYAN TEAM

In an exciting game Sunday at Athletic Park Wauseon defeated Bryan 20 to 6.

The game started off as though Bryan would play Wauseon off their feet, and after a few minutes play the ball see-sawed back and forth, neither side was able to make forward passes or plunge through the line.

Before the first quarter was up Wauseon took the Bryan team completely by surprise when Tedrow dropped back a few yards from Koser who was punting the ball and rushed every man on the Wauseon side to the line. The ball was snatched it up right out from under the noses of the Bryan players and rushed across the goal for a touch down. There was considerable argument over the play but a rule book was produced and the score counted. Bryan came back determined to win and knock every man on the Wauseon team out which they made a good start at. Koser was the first one and Theobald was next followed by Tedrow, but when they headed up against men of their own size they were usually stopped, and before the game was over Bryan had several players out of the game. It was a rough game from the start, and every Wauseon fan is very much pleased that the home boys won. It took quite a lot of the conceit out of the Bryan fans.

ARMISTICE DAY

We shall not forget and we cannot forget Armistice Day, the original one, three years ago, Nov. 11th, 1918. How everyone went wild with joy and mirth when the news spread that would fire over the good old U. S. A.

It brought joy to the hearts of the dear ones whom were left behind at home, who had been in the trenches and sweated and bled for the colors to fight for a just cause.

This day should be made sacred in the hearts of the American people. It should be made a day for everyone to stop for just a few moments to think of the boys who never came back, the ones who are asleep in Flanders fields among the poppies.

But it did not only bring joy to the folks back home, but also to the boys who were fighting in the front lines. It brought joy to them, not only because they knew that they were at least for a time were their hardships over, that they could go back away from it all for a rest. They could forget the terrible encounters that they had been passing through.

We Americans cannot forget this day. We are prone to forget too easily.

If the people will but look around in their communities they will find opportunities to render helpful assistance to those who by their valiant service at arms gave Armistice Day its very life and meaning.

OBITUARY

Fred A. Bates, son of Mr. and Mrs. George Bates, was born in Chesterfield Twp., Fulton County, Ohio, August 26, 1860. When four years of age, his parents moved to the farm which has since been his home. He was married to Miss Esther Marks May 14, 1883. To this union were born five children, Ralph, Florence (Mrs. C. E. Myers), Charles, George and Fred, who with their mother, survived the loss of a kind husband and father. He also leaves seven grand children and two sisters, Dr. Roxie E. Bates, and Mary E. Turner both of Morenci, Mich., and one brother, A. M. Bates of Oak Shade, Ohio.

He was converted under the ministry of Rev. Frazier and united with the Methodist Church at East Chesterfield. He talked little of sacred things but lived his religion in kindness, sympathy and helpfulness to all around him. No cause or individual were too small to receive his attention and help when needed.

He was a member of the Masonic Order, having joined the organization at Lyons, Ohio in 1892. He joined the Chesterfield Grange when a young man ever enjoying the social life and uplift of its influence in the community.

He was a charter member of the ancient order of Gleaners and was Secretary of that organization at the time of his death.

He was stricken with the fatal malady months before even those nearest him realized his serious condition. His cheerful greeting of family and friends ever shone until the past few weeks when his fast failing strength made it plain that his heroic struggle with all that medical skill and loving care could do were of no avail, and he passed away Wednesday Nov. 2, 1921, having arrived at the age of 61 years, 2 months and 7 days.

Of a genial, social disposition, he leaves beside his immediate family many friends who will miss his kindly word and smile for he was truly a friend to all.

Funeral services were conducted at the home on Saturday afternoon at one o'clock and burial in the Wauseon cemetery. Rev. J. A. Wharton his former pastor, officiating.

Card of Thanks

We desire to express our sincere thanks to our many friends and neighbors for their sympathy and kindness to the minister and singers for their comforting service and to those for the beautiful floral tributes.

FROM THE REVOLUTION UNTIL 1812

It is related of Benjamin Franklin that when he heard someone speak of the "War of Independence" (1776) that he remarked: "War, you mean the Revolution; the war of Independence is yet to come." The war of 1812 was the fulfillment of his prophecy. Even after the close of the Revolution, the hope still slumbered in the breast of many Englishmen, that as some future time the American Colonies would be regained. For years they held the military post of Detroit, Mackinaw and Niagara, after signing the treaty of peace. The Indians of the northwest country were supplied with munitions and provisions, and were continually incited to commit depredations along the western frontier.

Had not president Washington in his wisdom curbed the sentiment in the then Western country, the second war with Britain would have started long before it did. He attempted to obtain redress for many depredations the British were responsible for, but would go no further. In fact, the British were glad to see us, and also Superintendent of the Indian Affairs for the Districts of Detroit and Mackinaw.

McKee's letters written at Fort Miami before General Anthony Wayne appeared there, were addressed to Colonel England, the military commander at Detroit and the original papers later fell into the hands of the American government. Here are extracts:

"Rapids, July 2d, 1794.
"I am much pressed for tobacco and ammunition (for the Indians which I hope I may receive by the return boat)."
"Rapids, July 5th, 1794
"Sir—I send this by a party of Sagons, who returned yesterday from Fort Recovery, where the whole body of Indians, except the Delaware, imprudently attacked the fort on Monday, the 30th of last month, and lost 10 to 17 men, besides a good number of scalps."
"Everything had been settled, prior to their leaving the Fallen Timber, and it had been agreed upon to con-

fine themselves to taking convoys, and attacking at a distance from the forts, if they should have the address to entice the enemy out; but the impetuosity of the Mackinaw Indians, and their eagerness to begin with the nearest, prevailed with the others to alter their system, the consequences of which, from the present appearance of things, may not materially injure the interest of these people; both the Mackinaw and Lake Indians seeming resolved, on going home again, having completed the belts they carried with scalps and prisoners, and having no provision there, or at the Glaze to subsist upon; so that his Majesty's post will derive no security from the late great influx of Indians into this part of the country, should they persist in their resolution of returning so soon. "Captain Elliott writes that they are immediately to hold a council at the Glaze, in order to try if they can prevail on the etc., being sent to that place, I conceive it will be extremely Lake Indians to remain; but without provisions, ammunition, difficult to keep them together."
"Rapids, August 13th, 1794
"Sir—I was honored last night with your letter of the 11th, and am extremely glad to hear you are making such exertions to supply the Indians with provisions.
"Captain Elliott arrived yesterday; what he has brought will greatly relieve us, having been obliged all day yesterday to take the corn and flour which the traders had there."
"Scouts are sent up to view the situation of the old Post, and now are notoriously fed and supplied with ammunition, under the guise of paying them annuities. Colonel England, the military commander at Detroit and the original papers later fell into the hands of the American government. Here are extracts:
"Rapids, July 2d, 1794.

COUNCIL MEETING FULTON COUNTY BOY HONORED

Regular meeting of the Council held Monday evening with all council members in the presence of a large number of the citizens. It was a long drawn out session due to a mistake that had been made on the publishing of assessments on East Elm Street. The publishing of the assessment amounted to over \$80,000 and was only estimated at \$50,000.

Engineer Champe of Toledo who was the Engineer on this street was present, he had made the assessment according to the specifications and they had to be changed and republished. The engineer agreed to donate one half of the expense which was \$42.64.

Henry Reichardt asked for permits to move two houses, one on Chestnut Street and one from south of town to Shoop Ave. Permits granted.

The assessment on Chestnut Street was read and passed on their third reading. Some of the residents are kicking on the assessment of the sewer, especially those who live beyond the improvement.

The assessments are published in this paper. If we are going to improve our streets we have got to pay for them.

Promissory notes were issued to Engineer Champe for \$436.67 and \$42.67.

The Zellars Bros. and McDonald of Maumee have been notified to move at Lyons, Ohio in 1922. The Zellars and Soule Poultry House at Lyons, Ohio is not to be moved and City Solicitor Paxon was notified to use legal proceedings.

Regular claim ordinance passed. Next regular meeting Monday evening Nov. 21st.

I have never had a policy. I have simply tried to do what seemed best each day, as each day came.—Lincoln.

Our plant will be closed Armistice Day, November 11th, in honor of the fallen.
