as cool and white as a dairy. No smell, no smoke, no heat, no dust. No old-fashioned contrivances. The

New Perfection Oil Cook-stove

is the latest practical, scientific cook-stove. It will cook the most elaborate dinner without heating the kitchen.

Boils, bakes, or roasts better than any range. Ready in a second. Extinguished in a second. Fitted with Cabinet Top, with collapsible

rests, towel rack, and every up-to-date feature imaginable. You want it, because it will cook any dinner and not heat the room. No heat, no smoke, no noise, no coal to bring in, no ashes to carry out. It does away with the drudgery of cooking, and makes it a pleasure. Women with the light touch for pastry especially appreciate it, because they can immediately have a quick fire, simply by turning a handle. No half-hour preparation. It not only is less trouble than coal, but it costs less. Absolutely no smell, no smoke; and it doesn't heat the kitchen.

The nickel finish, with the turquoise blue of the enameled chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

OBITUARY

In loving remembrance of Laura Schmitt, little daughter of Mr. and Mrs. William Schmitt, who departed this life June 6, 1910, aged one year, five months and thirteen days. Her stay on earth was short, but she now sweetly rests as a lamb in the Shepherd's arm. Jesus, the good Shepherd, cares for her now. Truly she was a bright flower in the home.

She was laid away to rest Tuesday afternoon, June 7, her grave covered with lovely flowers. The funeral services were conducted by Rev. Samuel Egger, and was held St. Paul's Evangelical Church.

Laura has gone to join the angels. We shall never see her more; She helps us well the heavenly chorus.

How joyful are the thoughts that linger When loved ones cross death's sea, That when our labors here are ended, With them we will ever be.

For God's Sake Do Something

We have answered this cry in our new book "Fighting the Traffic in Young Girls" by Ernest A. Bell, U. S. District Attorney Sims and others. The most sensational indictment of the White Slave Trade ever published. It tells how thousands of young girls are lured from their homes annually and sold into a life of shame. The Cincinnati Inquirer says "Of all the books of the season the War on the White Slave Trade is the most helpful; it should be read by every man, woman and child."
