Will Let Cotton Rot. Farmers in some parts of the cotton belt declare they will not pick their cotton crop for the reason that it will cost more to pick it than they can sell it for.

Philadelphia, Pa.—"I suffered from displacement and inflammation, and had such pains in my sides, and terrible backache so that I could hardly stand. I took six bottles of Lydia E. Pinkham's Vegetable Compound, and now I can do any amount of work, sleep good, eat good, and don't have a bit of trouble. I recommend Lydia E. Pinkham's Vegetable Compound to every suffering woman."

Another Woman's Case. Providence, R. I.—"I cannot speak too highly of your Vegetable Compound as it has done wonders for me and I would not be without it. I had a displacement, bearing down, and backache, until I could hardly stand and was thoroughly run down when I took Lydia E. Pinkham's Vegetable Compound. It helped me and I am in the best of health at present. I work in a factory all day long besides doing my housework so you can see what it has done for me. I give you permission to publish my name and I speak of your Vegetable Compound to many of my friends."

Danger Signals to Women are what one physician called backache, headache, nervousness, and the blues. In many cases they are symptoms of starchy, lubricative condition, which may be overcome by taking Lydia E. Pinkham's Vegetable Compound.
