

# TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

### We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

### Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

## SLY KISSERS ONE MURDER PACT ARE CAUGHT BY MAY RESULT IN DAD'S INVENTION ANOTHER DEATH

### "OLD JOSE" INVENTED A EX-SHERIFF AYOWS HE RESONATOR THAT DID WILL KILL CONVICT THE SIZ ON SIGHT

Strepstown, Pa. July 30.—Joshua Sedalla, Mo., July 30.—"If John L. Conkling Reeves lives in Shade town- ship, and has three pretty daughters, belles of the neighborhood, Reeves is an inventive genius. But let Joshua tell the story:

"This," he said in demonstrating an invention, "is my latest contraption. For a long time I have known that there was too much kissing go- ing on when the girls of mine had their fellows here on Sunday nights. But I couldn't catch 'em at it, so I just rigged up this little machine, and now I know a thing or two."

So saying, Joshua pulled from the partition between the parlor and din- ing room of his home what looked like a pine knot.

"I call this a resonator," said Joshua. "It catches and increases sound. When there is any kissing goin' on in the parlor the sound floats through this machine and I hear it all. Just common kissing on the cheek or neck sounds like the B. & O. train goin' over Turkeyfoot crossin' and long, hugging kisses like the winds blowin' in November."

"I've got the machine that tells me what is goin' on, but what I need now is a machine that will tell me how to stop it."

Edwards is pardoned it will just be a question of whether Jones or I shoot first when we meet," said former Sheriff Mel T. Henderson of Pettis county today, after he learned of efforts were being made to liberate the man who killed A. M. Mackey, owner of a cab line, in 1911.

Jones was sentenced to serve 12 years.

The killing took place in a strike of M. K. & T. railway car men Jones was a car man.

According to Henderson, he, Mackey and a man named Savage, also a car man, were "glated to go."

"Our fate was sealed as a result of a card game," Henderson said. The game, it is alleged, was played on the agreement the loser was to do the murder. Jones lost, Henderson declared.

The killing of Mackey followed, and it was framed to "get" the sheriff when he made the arrests, so Henderson declares. "I didn't make the arrest, which doubtless had to do with my escape," he said.

"Jones has told me to my face and also told citizens of Boonville that he hoped to live long enough after he was liberated from prison to kill me," continued Henderson.

"Such being the case, I am going to be prepared for him if he is given his liberty. I sincerely hope Gov. Majors will not grant the pardon."

At his trial trial Jones was sentenced to be hanged. The case was taken to the supreme court and he got a new trial. A change of venue was taken to Boonville, where, in July, 1913, he was sentenced to serve 12 years in prison.

His health is said to be the grounds for the application for pardon.

## CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

### "Dodson's Liver Tonic" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the lungs. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tonic on my guarantee.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tonic. Take a spoonful to-night and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It's harmless; doesn't gripe and they like its pleasant taste.
