# Women and War Work

Telephones—Office 486; Residence 4160

**Where You May Serve Today.**

Aft circle meets at Red Cross headquarters.

Women of First M. E. church Red Cross.

Immanuel Baptist women, church workroom.

Lady Maccabees, Red Cross.

Women of Latter Day Saints church, meets for work at church.

Pan-Hellenic society meets at Red Cross headquarters.

Clements A. Evans chapter, U. D. C. Red Cross headquarters.

Red Cross headquarters, which during the winter and spring months was fairly a hive of activity in the way of garment making and the making of surgical supplies, now is practically deserted except during the morning hours. This in part, or largely perhaps, is due to the fact that so many women have gone away for the summer months, and were the southwest division not well up on its quota it would be necessary to go out and draft women into the work. A shortage of material, adjustment of which is to be made during the summer, has also made it possible for women residing in the warm sections to take a rest. The weeks of summer rapidly are passing into months, however, and the time when the women will return and the Red Cross again take on its customary air of hustle, is not far distant.

The United States department of agriculture recommends the following method of canning to the housewife:

Boil jars and tops for at least 15 minutes before filling them. A wash boiler or any other large vessel with tight fitting cover fitted with false bottom of slats or wire mesh may be used for the processing vessel.

While jars are still hot pack with prepared product.

Without delay place rings on jars and put on the hot tops, but do not screw down air-tight at this time. Place partially sealed jars while still hot into warm water up over the tops. Put cover on boiler.

Boil the filled jars for the time or periods specified. Seal by clamping or screwing tops until the jar is absolutely air-tight. Cool the jars out of a draft and when cold test for leaks.

According to the comparative estimates made by the woman's committee, council of national defense, Nevada must save one-seventh of a bale, while New York saves twenty-eighteen under 3 years of age in the president's year campaign. New Hampshire, Idaho and Montana should each have two to their credit, while Pennsylvania has four score. The state of Washington must save three children, while the District of Columbia saves less than one. These are approximate daily figures taken from quotas assigned to different states in the campaign to save 300,000 children, which was issued by the children's bureau and put into operation through the department of child welfare of the woman's committee, council of national defense.

According to the United States food administration, the demand for beef for our army, the armies of the allies, and their civil populations for this summer are beyond our present supply, and we must look to the large surplus on the other hand we have. West Texas and a host of friends made during their residence here regret their departure quite keenly.

When the Georgia state federation of colored women's clubs met in Savannah, Ga., last month more than 50 organizations were represented. The conventions discussed child welfare, reform work among girls, better housing, better health, and better schools, and plans for improving conditions.

The aim of the organization was stated in the plan "to federate colored women everywhere, so that their voices may be heard in the affairs affecting the negro race, materially and the negro womanhood particularly."

Mrs. Chestnut Waldron, a former Tulsa woman now residing in Long Beach, has written friends here of her good fortune in being called to overseas service in the Red Cross. For the past year Miss Waldron has been secretary to Mr. [illegible], chairman of the building committee and purchasing agent of Columbia chapter. In the letter the young woman is given the choice of personnel for service covering the district, under the division headquarters. Miss Waldron leaves Columbia July 25 for a week's visit in Chicago, after which she will report to the department of the Red Cross in Paris.

Employment Bureaus in Washington are to establish lunch cart service for the young women workers. Months ago, the girls' service of the district war camp community service, with the help of the Young Women's Christian society of Washington, instituted such service for the girls. Women who were unable to obtain luncheons in the overcrowded restaurants without sacrificing their opportunities for rest and recreation. Lunch carts have proved popular with the men in uniform. Several bureaus have agreed to provide equipment and noontime helpers, if the district war camp community service will manage the luncheons and operate the trucks at points convenient to these offices.

Owing to the fact that several of the young women who volunteered automobile service for the home service department of the Red Cross have gone out of town Miss Naomi Meserve, who is in charge of the work, has found it necessary to rearrange the schedule which now stands as follows: Monday, Miss Helen Ardizzone; Tuesday, Miss Helen Delaney; Wednesday, Miss Maude Bradley; Thursday, Miss Evelyn Connolly; Friday, Miss Pearl Alexander; Saturday, Miss Frances Riddle.

The national league for woman's service, New York, makes the following report concerning the Omaha branch:

"The Omaha branch of the league has organized a unit for mending. A call sent out for needle-workers met with an enthusiastic response and willing hands were set to work on the discarded winter clothes. Every article from ripped gloves to sweaters, has been mended and cleaned, and they have all been carefully packed away ready for the next season's cold weather."

Mrs. Samuel J. Campbell, who has been appointed by the Christian Science camp welfare and war relief board of Boston, to start over the state in the interest of the work, will give a talk Wednesday evening at the First Church of Christ Scientist, Eleventh and Boulder. The meeting at which Mrs. Campbell will speak is to be held immediately after the regular Wednesday evening service. All interested persons are invited.

The southwestern division of the Red Cross, with headquarters in St. Louis, is working on a new quota basis. In the future all chapters will not make the same garments. For instance, Tulsa and its auxiliaries and branches may be asked to make one kind of garment and hospital supplies, and other chapters in Oklahoma an entirely different garment or surgical dressing.

According to Miss Florence Heald and Mrs. Travis L. Gray of the Home service department of the Red Cross, volunteer workers still are needed. Women who will visit the families of men in the service are needed and it is hoped they will communicate with the office this week volunteering themselves and their care for the work.

## Society News

DAILY THOUGHT.

Objects close to the eye shut out much larger objects on the horizon and splendors born only of the earth eclipse the stars. So a man sometimes covers up the entire dust of eternity with a dollar, and quenches transcendent glories with a little shining dust.—Chapin.

**Approaching Marriage.**

Mr. and Mrs. Charles H. Luke of New Bethlehem, Pa., have announced the engagement and approaching marriage of their daughter Mary Helen to Mr. Arthur Lippa, formerly of Pittsburgh, but now of Tulsa. The wedding will be celebrated Wednesday, August 14, with a quiet home ceremony, after which Mr. Lippa and his bride will go north to spend their honeymoon. Miss Luke will have her sister, Miss Lillian Luke, as maid of honor, and Mr. Lippa will be attended by Mr. Edward I. Hanlon of Tulsa. The bride-elect is a niece of Mrs. Wiley I. Stewart of this city. Mr. Lippa, only son of Mrs. K. O. Lippa of Pittsburgh, Pa., has been a resident of this city the past year, in which time he has been affiliated with the Sinclair company.

A quiet but pretty wedding took place on last Saturday, July 20, when Miss Nell Canady, daughter of Mr. and Mrs. C. M. Canady, became the bride of Mr. I. J. LeBoeuf. The ceremony was solemnized by Rev. Louis S. Barton in the Boston Avenue M. E. church, and was witnessed by a few relatives and friends. The bride wore a dress of georgette crepe with bead trimming and a hat of taffeta. She carried pink roses. The couple left during the day for Nashville, Tenn., where Mr. LeBoeuf is in the government service.

Mrs. Lee Daniel has arrived from St. Louis to join Mr. Daniel in a brief stay in Tulsa and to later accompany him on his return to Camp Travis. In all probability Mrs. Daniel will remain at San Antonio until her husband's departure for overseas.

Mrs. H. F. Rethman and sons, Everett and Don, and Mrs. Rethman's sister, Miss Lillian Binkley, are leaving this morning for the east to spend the remainder of the warm season. They will divide their time between Indiana and Ohio.

Mrs. DeWitt Hull and baby son DeWitt have concluded their visit in Pennsylvania, going to California to join Mrs. Hull's mother, Mrs. Wiley I. Stewart, for the remainder of the summer.

Miss Emily Land, who has been in the south for some time past, will return home September 1. At present Miss Land is visiting in Atlanta.

Miss Mary Porter, daughter of Mr. and Mrs. John D. Porter, left yesterday to spend a several weeks vacation in Canyon City, Col.

Miss Lillie Jones of Collinsville came yesterday to spend the remainder of the week visiting Mrs. H. W. Van Hoy.

Mrs. Ray Hall of Cafferville, Kans. is visiting her daughters, Misses Mildred and Pauline Kavanaugh, 403 East Eighteenth street.

Henry Tate Brady has returned from a visit to his sister, Mrs. Eugene S. Adkins, of Muskogee.

Mrs. Ruby Thompson of Dorian will come this morning for a visit of two weeks with Miss Juliette Hunt.

Judge and Mrs. Farrar L. Mc[illegible] have gone for a stay of several weeks in Colorado.

## FINAL NOTICE TO CLASS 1

**Many Have Not Responded to Notice of Local Board.**

Notices were sent out some time ago to all Class 1-A men of the 1917 class of registrants with the local exemption board to appear for physical examination. But a small percent of the men have appeared, and the board gives warning that those who do not come up immediately will be reported to the adjutant general as evaders.

Windup of reclassifications is going on in the county division of the local exemption board. All of the remaining Class 3 and 3-A men are being put in Class 1. It is also known at present how many registrants will be called this week to serve in the army.

Calls for men are coming slow in each section of the board the last week or so. Yesterday the 1st division received a call for 24 negroes to be sent to Camp Dodge between the 1st and 5th of August.

New quarters have been found for the local exemption board. They can now be found in the south end of the federal building, both sections of the board occupying the same room in which there is twice the space either division had before.

"THE POPULAR PRICE STORE"

## Young Spendthrift—

Says his pride just won't let him wear patched shoes, so if you belong to the class that has more pride than patriotism we won't get offended if you find another place to buy your footwear, as it is all we can do to supply footwear to those that haven't enough of their old shoes left to put a patch on. Just because we are closing out all our ladies' slippers at $1.45 does not make it necessary to buy enough to last several years. Neither do we consider it keeping business as usual," as our business has been unusually large, and we keep it that way by selling better footwear for less, as it is our way of advertising. It does not necessarily cost to advertise. The only difference is who gets the benefit of the advertisement, the consumer or the non-essential man. Our way of selling for less proves it pays to advertise that way, and when the public demands more service than serviceable footwear we will be the first to give them what they want.

## GIRLS! DRAW A MOIST CLOTH THROUGH HAIR DOUBLE ITS BEAUTY

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once.

"Immediate"—Yes! Certain"—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy as first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents.—Adv.

## HER DAUGHTER WAS SAVED FROM OPERATION

Mrs. Wells of Petersburg Tells How.

Petersburg, Va.—"For two years my daughter suffered from a weakness and pains in her right side, at times she was so bad do any work. For two years she was attended by the best physicians here she could not and both of them agreed that she would have to be operated on. I suggested Lydia E. Pinkham's Vegetable Compound and at first she refused to take it, but finally consented to try it. The very beginning it helped her, and now she is entirely well and telling everybody how much good it has done her."—Mrs. W. H. Wells, 216 North Adams street, Petersburg, Va.

If every girl who suffers as Miss Wells did—from irregularities, painful periods, backache, sideache, dragging down pains, inflammation or ulceration—would only give the famous root and herb remedy a trial they would soon find relief from such suffering.

For special advice women are asked to write Mrs. Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years' experience is at your service.

## SHIPPERS TO HAVE PLACE ON FREIGHT COMMITTEES

**Railroad Administration Makes Provision for Representation in Naming Regional Bodies.**

WASHINGTON, July 24.—Membership on railroad traffic committees charged with future adjustment of rates in all parts of the country was extended to representatives of shippers' organizations by the railroad administration tonight in announcing the creation of eastern, western and southern committees, each of five members, two of whom represent shippers. The formation of the committees carries out the policy announced by Director General McAdoo when in ordering the 15 per cent increase of rates last month with that it would be said additional rates due to the fact increase would be worked out by joint committees of railroad managers and shippers organized in each locality. Under the three main committees 25 regional organizations have been created, which will make recommendations for their own localities. W. T. Moore of Atlanta and J. S. Bennett of Memphis are employees on the southern committee, which includes Randall Cullom, N. B. Wright and Joseph Hallendorf for the railroad.

## SAPULPA MILITIA BLOWS UP.

**So Boy Cadet Company Organized; Train for Military Service.**

Special to The World.

SAPULPA, July 24.—Following the recommendation of the home guard company here the young men of the town have organized a cadet corps open to boys from the ages of 15 to 20. The cadet corps is intended to take the place of the home guard company and provide a body with protection in times of emergency.

The boys have been drilling weekly for more than two months. Many of the members have had experience in military schools.

**Increased Phone Rates.**

OKLAHOMA CITY, July 24.—The corporation commission has granted substantial increases in rates to these independent local telephone companies. No protest was made in either case. The showing was made that under existing conditions the exchanges were not receiving a fair return on their investments. The companies receiving increases, dating July 15, are: Loco Telephone company, Bigheart Telephone company, Garber Telephone company, Bryan Telephone company and the Francis Telephone company.
