OKLAHOMA CITY, Nov. 28.—Working forward passes for two scores and two perfect end runs far more than the University of Oklahoma defeated the Oklahoma A. & M. college 27 to 0 here this afternoon on a fairly fast field. A 35-yard pass, Hardy to Haskell, after the first seven minutes of play, paved the way for Haskell's short end run for the first touchdown of the game. Swatek's 45-yard run on a recovered kick netted the Sooners another score in the same period. Scores in the second and fourth periods followed on line plays and end runs. The Sooners failed to kick goal in the second period. The lineups:

KENDALL IS BEATEN BY FULLBRIGHT & CO.

Arkansas Has Little Trouble in Winning Over Local Collegians in Battle Here Yesterday.

FINAL COUNT IS 23 TO 6

Hopping Makes 35-Yard Run—Visiting Quarter Is Outstanding Star in One-Sided Game.

In the Arkansas-Kendall game yesterday the "bridge-runners" totaled a score of 23 against the Kendallites' 6, much to the disappointment of the many enthusiastic bystanders. While Kendall outweighed the victors they were outclassed in training and speed. Both teams were sluggish at times and few spectacular plays were made by either side. Forward passes were unhelpful throughout the game, being lifted on most every try. No man on the Kendall team qualified ahead of his colleagues, but the balance of the action and resident come-back was represented in League, Hilford and Hopping, the last named getting by with a 35-yard run. The advance placed him within two yards of the goal line, just as the whistle blew for the ending of the last quarter. Arkansas had a one-man team in Fullbright working at quarter. While the balance of the team seemed to get by, there was nothing outstanding in the work they did. The fact that they had the good luck to score a touchdown in the first two minutes of the game figured in holding the morale up to par. The features of the game were the two dashes made by Fullbright and Henson, 39 and 58 yards respectively. The big quarter scored a touchdown for his team on his spectacular run. John M. Hall, Ohio State, 1919, umpired the game and both sides fared well in the decisions. Travis Golay refereed.

DEMPESEY WINS POPULAR DECISION FROM MISKE

PHILADELPHIA, Nov. 28.—Jack Dempsey won the popular decision from Billy Miske of St. Paul in a six round bout at a Thanksgiving day matinee. Only half a dozen hard blows were landed during the fight. There was scarcely any action in the first two rounds, but in the third, Miske jolted Dempsey with an uppercut to the jaw which gave him the advantage in this round. After this the bout was all in Dempsey's favor, the St. Paul man frequently resorting to holding in order to save himself from punishment.

TULSA HIGH CINCHES HONORS IN FOOTBALL

Eastern Championship Made Secure By Defeat of Muskogee in Thanksgiving Day Battle.

FINAL COUNT IS 13 TO 3

Local Boys Outclass Rivals in All Departments of Game—Visitors Score Field Goal.

This best game that has been played on the local gridirons that season was staged on the high school stadium yesterday when Tulsa clinched the eastern championship with a score against Muskogee of 13 to three. The first three minutes of the game looked like Tulsa had a snafu, but business picked up when the locals tried forward passes. They didn't get anywhere and at the end of the first half Muskogee was triumphing with a 3 score from a drop kick while Tulsa had nothing. In the second half Tulsa changed tactics, played line bucks, and made good for two touchdowns. Wenecke and Keen, particularly the latter, starred throughout the game, each making a touchdown. Every inch of the ground was contested during the entire game and Tulsa was forced to see the 20-yard line to the home goal crossed for the first time this season. It is possible that the game for state championship may be played here, said Merle Prunty, principal of the high school. "We would much prefer to play that game on our own gridiron."

GEORGIA TECH VICTORS OVER ALABAMA, 41 TO 0

ATLANTA, Nov. 28.—Georgia Tech plowed through a muddy field here today to a 41 to 0 victory over the Alabama Polytechnic Institute of Auburn in their annual Thanksgiving day football game. It was too much for the Alabama boys, but the visitors never stopped fighting and staged a rally three minutes before the game ended. Tech's victory came through six touchdowns, five of them achieved by laboriously plodding through the mud, and one as the result of an 80-yard run from the kickoff by Adams, substitute quarterback, in the second period. In all, Golden Tornado made 24 first downs and the Platinemen five, two of the latter through Tech penalties. Holding and offside play was frequent on Tech's part while Auburn rarely incurred a penalty.

How Food Producers of All America Find a Market Here

PERHAPS you have never thought of Armour and Company as a LOCAL concern in this community. Yet, that is exactly what it is—an outlet here to you and your dealers of America's choicest foods.

You look upon an Armour plant elsewhere as a local organization there. And the farmers there regard this Branch House (like all Armour's other Branch Houses) as a local business here to sell their foods for them. Both are right—all of the Armour concerns are local institutions—yet so related that they all must operate together to serve you most efficiently.

As a local concern our interests are intensely local. We pay local taxes, employ local men and patronize local institutions. The continued development of this community is vital to us. For we prosper only as this community prospers.
