UM CHECKS FLOATING MENACE TO BUSINESS

erchants Complain They Are Victimized So Much They Cant Take Chances on Man With Money.

Like the poor, the bad check seems to be with "us" always. Bankers and business men are complaining about the number of checks issued in Tulsa by people who have no bank account, or who have no idea that the over-draft system isn't popular with bankers.

A merchant making a specialty of cashing checks said yesterady that his losses were so great that he was getting down the lid on a check artist; he didn't know personally was good. The habit of giving a check in payment of debt or to raise money was in-grown, said he, and he was giving every check the closest inspection.

While there is a law that handles the man who issues a bum check, it is difficult to get action, owing to the fact that often the charges of hunting up the bird who issued it is more than its face value, and the county refuses to be a collecting agency unless the victim puts up have been victimized, and on getting the money. This is because so many have been victimized, and on getting their money back, they lose all interest, and no prosecution is possible, because the man who cashed the check is so glad to get his settlement that he doesn't take much interest in the punishment of the man who attempted the fraud.

Some system of eliminating bad checks has been under discussion by local business men. They say frequently they are compelled to decline to cash checks that look perfectly good, and they have reason to feel safe, yet they can't afford to deviate from their program of caution. The bum check makes it difficult for the man who has real money in the bank to raise funds, if he happened to be called on at a time when he can't get to his banker. A man Thanksgiving morning had to stand off the cashier in a local cafe because she wouldn't cash his check and he only had 20 cents with a two-bit meal check—and he'd eaten the food before he discovered he was broke.

WILL TOUR SOUTHWEST INTEREST OF RED CROSS

Rabbi J. Menkes of Temple Israel left last night for Oklahoma City, where he enters into a conference with the speakers' bureau of the Red Cross, preparatory to making a tour of the southwestern states. Rabbi Menkes received a telegram yesterday from Chester H. Westfall, chairman of the Red Cross speakers' bureau, requesting his exclusive time for two weeks for a speaking tour in the interest of the Red Cross.

The tour will start December 9, and is to include several states in the southwestern portion of the United States outside of Oklahoma. Rabbi Menkes will return to Tulsa this evening in time for the special Hanukah services at the courthouse.

BLACK-DRAUGHT A FAMILY MEDICINE

Some Kind of Stomach Trouble With Cramps and Terrible Pains Made This Oklahoma Man's Life Miserable Until Black-Draught Relieved Him.

Chickasha, Okla.—Mrs. J. W. Walker recently said this: "We use Black-Draught as a family medicine and think it is the only liver medicine made. My husband makes it up and uses it as a tonic as well as a laxative. I use it for headache, sour stomach, a full heavy feeling after meals, which I suppose is indigestion, and it certainly does me a lot of good.

"My husband had some kind of stomach trouble—we don't know just what. It would strike him just any time in the day and cramp or pain him just terribly bad. Someone told him how to make a tea of Black-Draught, which he did. It did him so much good, it removed the cause and cured him. Since then we have praised the Black-Draught to our friends, and gladly do so."

Seventy years of successful use has made Thedford's Black-Draught a standard, household remedy. Every member of the family at times needs the help that Black-Draught can give in cleansing the system and preventing or relieving the troubles that come from constipation, indigestion, lazy liver, etc.

Try Black-Draught. Sold by all druggists.

Eats Like a Wood Chopper

"After many discouraging years of suffering from stomach trouble and bloating, in which I could eat only sparingly of the simplest food, I am now feeling entirely well. Thanks to Mavr's Wonderful Remedy which has done wonders for me. I can now eat like a wood-chopper and enjoy it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

For sale by the Quaker and Puritan drug stores and druggists everywhere.—Adv.

Happy Mothers Prepare in Advance

A Wonderful Influence For Expectant Mothers.

Mothers for over half a century have used with the utmost regularity the time-honored preparation, Mother's Friend, before the arrival of baby. Here is a truly wonderful penetrating application for the abdomen and breasts. It softens and makes elastic the muscles, rendering them pliant to readily yield to nature's demand for expansion. By its use the anxious months of pregnancy are made comfortable. The usual wrenching strain, bearing-down and stretching pains are counteracted. The system is prepared for the coming event, and the use of Mother's Friend brings restful nights and happy anticipation, for the nerves are not drawn upon with the usual strain.

By its regular application the muscles expand easily when baby arrives; the time is less at the crisis and naturally the pain and danger is less.

Mother's Friend is on sale at every drug store. It is for external use only, is absolutely safe and wonderfully effective.

Write the Bradfield Regulator Company, Dept. C, Lamar Building, Atlanta, Georgia, for their interesting Motherhood Book, free to users of Mother's Friend, and obtain a bottle of Mother's Friend from the drug store and begin this grateful treatment.
