Ultra-Smart Styles in Everything Desired by Girls and Young Women Soon to Depart for School and College

At the present time it is admitted that all concerned are anxious for the return of the young woman going off to a new college or university and that she appears to need advanced order all these stations. That is the natural therefore the situation of her wardrobe is, and should be a matter of careful consideration to mother and

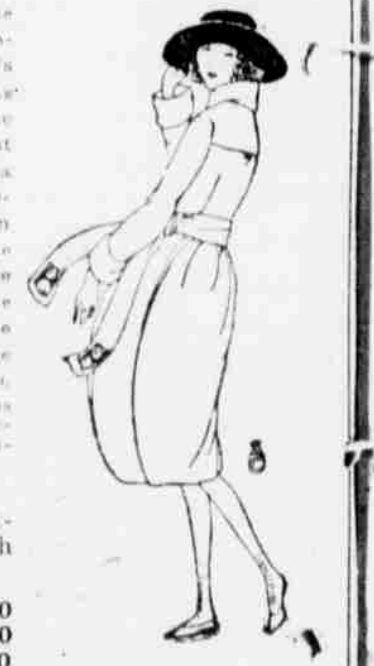

daughter alike. For each article must now serve the purpose for which it was intended. It should be practical and as the season advances script in the mode in vogue in college life. It depends on quality and fairly priced. A girl's first appearance among strangers at school often greatly influences her whole career while there. This

girls with whom she comes in contact, those who seek her for companionship for various reasons, social activities and to college friends. Since a consciousness of a good appearance brings a proper feeling of confidence and with a minimum of fuss, too much stress should be placed on the selection of the

young woman's attire, especially now, when so many of them are purchasing their wardrobe soon to depart for school. Our buyers have been mindful of the requirements of our patrons, choosing types appealing to mothers and daughters alike, and have gathered together a merchandise of known excellence of style and dependability of quality, and

withal, reasonable prices. For instance, an examination will show you it is not necessary to go into the highest priced ready-to-wear to obtain thoroughly desirable wardrobe. In this respect, our third and fourth floor salons are unique, in that splendid garments may be chosen in newest styles in wide range at modest figures,
