DOLANS EASILY WIN SECOND GAME OF MURPHY CUP SERIES

Tulsa Pitchers Batted Hard; Mutt Williams Is Effective

Dennis and J. Williams Are Touched for 15 Hits and 13 Runs by Saints.

BEALL GETS CIRCUIT CLOUT

Home Run and Sensational Catch by Kelleher Are the Game's Features.

By LARRY DALEY.

Mutt Williams of St. Joseph pitched may not have more stuff than other Western league pitchers, but he has always demonstrated that he is equal to any Texhoma circuit hurler when working against a Tulsa club beat. The big fellow showed his class yesterday, when, working against the hard-hitting Tulsa sluggers in the second game of the Murphy cup series, he let them down with eight hits and two runs. Williams pitched brilliant ball until the fourth inning, holding the Athletic scoreless, and only permitting five hits until the final session.

While Mutt was holding Tulsa safe his teammates lost no time in getting to the offerings of Hubert Dennis, scoring three runs in the first inning and driving Dennis off the slab in the third. The terrific attack of the Saints could not be stopped by Jack Williams and it was an easy 13 to 2 victory for the pennant winners. In addition to hard and consistent clouting, one of the reasons for their flag victory the Dolans fielded splendidly, only one error, that on a thrown ball by Bonowitz in the ninth, being charged against them, while several splendid fielding plays, a one-handed catch by Johnny Kelleher in particular, aided in keeping the score down.

It was a bad day for baseball, the high wind causing several balls which went for hits to be misjudged. The hard hitting of St. Joseph, the sort that always makes the losing club look bad and errors of omission and commission by Tulsa fielders made it a loose game. However, it was merely a reversal of the Oilers' form of the day previous in which they won a well-deserved victory and one of the rare bad days which the club has played during the season.

Saints Score in First.

St. Joseph started the scoring in the first inning, Jackson's double to right, singles by Hamilton and Kelleher to left field, Butcher's out on an infield hit, an intentional pass to Walker and Bonowits' sacrifice fly netting three runs.

Four were made in the third, Hamilton and Kelleher singled to right, Butcher doubled, scoring the two runners. Walker again was intentionally walked. Jack Williams relieved Dennis. Bonowits' second sacrifice and Beall's double counted Butcher and Walker.

A pass to Jackson, Hamilton's infield sacrifice and Butcher's triple to right scored Jackson in the third. Another was made by the Dolans in the fifth, Bonowits' transportation, Beall's sacrifice and Shestak's long single to center scoring Bonowits.

Four Added in Ninth.

Another quartet of tallies were added by the pennant winners in the ninth. Walker and Bonowits doubled and singled respectively. Beall's home run scored the first three. Shestak was hit by a pitched ball, went to third on William's single and scored while Mutt was being retired by Slattery and Tierney on Jackson's grounder.

Tulsa's markers came in the final inning. Burke beat out a perfect bunt to Hamilton. Wuffli singled to left. Slattery popped to Kelleher. Nagle singled to left, Burke scoring. Wuffli going to third. Johnny scored on Cleveland's sacrifice fly to Jackson.

Notes of the Game.

The third game of the Murphy cup series is to be played at Tulsa today. The game starts at 4 o'clock.

The game is played at St. Joseph tomorrow, with a double header billed for Sunday. If the series goes more than six games a toss of a coin will decide the location of the seventh.

Red Shackleford will probably be on the mound for Tulsa today with Leo Nesch as the likely Dolan slab nominee.

Jimmie Burke had an unfortunate error charged against him in the first inning yesterday when his peg hit Jackson as the latter was rounding second base.

Mutt Williams pitched only three balls in the third inning.

Kelleher's catch of Nagle's drive in the fifth inning was one of the most sensational plays seen at Mc-Nulty park this year.

Welters Go Through Speedy Workouts Before Big Crowd

With the arrival of Jock Malone the last of the four principals of the star welterweight card of the Tulsa athletic club next Monday night will be in town and with Malone starting workouts this afternoon boxing fans will have an opportunity to see them all in action. Malone was to have arrived in Tulsa yesterday but decided to stay in Kansas City last night and to come to Tulsa today. He is to arrive here this morning and, according to word received from Promoter Machen, will start workouts at once.

Willie Loughlin, who meets Malone in the final 15-round go of the show, went through a fast workout yesterday with Reg Byrd, welterweight, who boxes 10 rounds with Tom Storie in the semi-windup. Loughlin, a trifle heavier than in his last appearance here with Johnny Celmats, was in splendid condition as usual and delighted the large crowd of fans with his speedy work. The southerner and Byrd went four fast rounds which drew repeated applause. It was a real workout and judging by the class shown by both men, Malone and Storie, are to have tough arguments. Loughlin is a hard trainer and that is one of the reasons he is always in superb condition. He put in several rounds shadow boxing and bag pounding in addition to boxing yesterday.

Malone has been training at his home in St. Paul since beating Johnny Tillman several days ago and as he too is always in shape to battle at a moment's notice he will need only to add finishing touches to his training here to be ready to meet Loughlin.

That dark Britton, present welterweight title holder, has agreed to meet the winner of the Loughlin-Malone bout has added to the already great interest manifested in the match. Malone and Loughlin stand at the top in the 147-pound division and they have each proved their fitness to meet the title holder.

Tom Storie, young Oklahoma City boy, who had established an enviable reputation as a lightweight before entering the service two years ago, was in Tulsa for the first time in over two years yesterday. Storie looks to be in great trim and the sensational Red Byrd is due for a stiff battle when he meets the protege of Sammy Saxson.

Byrd and Loughlin are to work out at 3 o'clock with Malone and Storie working immediately following the first two. Workouts will be held at the Brady hotel and are free to the public.

CONCLUSION of minor league baseball schedules this month, with the exception of the Pacific Coast league which closes its season October 25, and the unusually successful races in the smaller circuits this year brings to mind a statement of Mike Sexton, president of the National Association of Professional Baseball clubs, who was in Tulsa last winter during the formation of a partnership between Spencer Abbott and Jim Crawford which has provided Western league baseball for Tulsa fans. The baseball outlook at the time of Mr. Sexton's visit was not of a rosiate hue. War depression and various difficulties were faced in getting the game back to a pre-war basis. But even at that time the farseeing head of the minor leagues made the prediction that minor league baseball in 1919 would be little inferior to that of previous years; that the game would enjoy as great or greater popularity than ever before, and that many minor circuits would start the season.

Fourteen minor leagues started the season and only one was forced to disband before the close of its schedule. The International Northwestern, striking an unprecedented run of bad weather which disrupted the schedule, quit early in August. Three clubs AA circuits, two class A, four class B, one class C and four class D began the season and with the exception of the Northwestern league, all played to the conclusion of their schedules.

The American association, Pacific Coast league and International league class AA, Western league and Southern association class A, Texas, Southern, Three-I, and International Northwestern, class B, Michigan-Ontario league, class C, and South Atlantic association, Virginia league, Western Canada league and Florida state league, class D, were the 14 minor leagues in the field.

Practically every club in the American association with the exception of Toledo, will be ahead at the gate. Every club in the Pacific Coast league has been a money maker. The International league has not been very successful financially, but will start again next season with a changed circuit.

The Western league, under the able direction of President Albert R. Tearney, who took the lead in the fight against the old system of drafting and who is one of baseball's biggest men, enjoyed its greatest season both in success and class of play and in attendance. The Southern association also had a great year in every respect.

The Texas league, at this writing, has one of the most successful seasons in its history. The league, under the direction of Mr. Tearney, closed their strenuous but successful season this month.

The Canadian-French square series played the Michigan-Ontario league to a six-each conclusion. Buffalo has taken a fifth hold in the north and is now the senior baseball league in the province. The game was well supported in the Western Canada circuit, while Toronto of the International league, one of the few clubs to hold its own during the war, had another good year.

All of the 14 minor circuits which started the 1919 season are certain to start in 1920, with several more in the field. It is probable that at least 20 will be operating under the protection of baseball's national agreement.

WHITE HOSE WITHIN TWO GAMES OF RAG

Defeats Administered Yankees Wednesday Practically Clinches Pennant for Sox.

NEW YORK, Sept. 18.—The White Sox are within two games of another American league championship today.

By defeating the Yankees in both ends of a doubleheader Wednesday, Kid Gleason's athletes practically put the Cleveland Indians out of the running, though Cleveland won.

The Chicagoans need but two more victories to clinch the pennant regardless of what the Indians may accomplish from now on, but it is possible for the Sox to clinch the flag today should they defeat the Yankees and the Indians suffer a defeat at Philadelphia. Otherwise the clinching of the title will be delayed for a day or two.

The Sox have won 86 games and lost 45. They have nine more games to play. The Indians, with 78 victories and 52 defeats, also have nine games remaining. Two more victories for Chicago, against nine straight for Cleveland, would leave the Sox in front by a narrow margin.

REDS DEFEAT ROBINS IN PITCHERS' BATTLE

New Champions Play Errorless Ball —Babe Adams Holds Giants to Three Hits and Wins.

CINCINNATI, Sept. 18.—The new champions of the National league won from Brooklyn today. It was a pitchers' battle between Eller and Cadore in which the former had only slightly the better of it. Johnston had a big day at the bat with a single, a double and a triple.

Schreiber, the pennant winner has been playing third base while Groh is out of the lineup with an injured finger, refused to put on a uniform because he was not allotted a full share of the world's series receipts.

FINNS AND LETTS ACCEPT BOLSHEVIST PEACE PACT

LONDON, Sept. 18.—An Exchange Telegraph dispatch from Copenhagen today stated that the representatives of Esthonia, Lettland and Livonia, at a conference at Riga, have decided to accept the Russian bolsheviks peace offer.

Nicholai Lenine, the bolshevik dictator at Moscow, was informed that negotiations may be opened Thursday or Friday, probably in Finland, the Exchange Telegraph dispatch added.

WAR COUNCIL WILL ASK EXTRADITION OF KAISER

LONDON, Sept. 18.—The Dutch government will receive, if it has not already received, formal demand for the ex-kaiser for trial before an allied tribunal, according to the Pall Mall Gazette. This newspaper states unofficially that the war council at Paris has decided upon a move for the extradition of the former warlord.

Although a protest is possible, officials are confident that Holland will finally accede to the demand, says the Gazette.

Esther R. Declared Ineligible for 2:09 Grand Circuit Pace

COLUMBUS, Ohio, Sept. 18.—While there were four well contested events on today's grand circuit program, nearly all of the interest centered on the 2:09 pace, in which an unusual occurrence sent Esther R., driven by Murphy and winner of the first two heats, to the barn before the third heat started on account of ineligibility. The owner of Aquilla Dillon, after the second heat, charged that Esther R.'s record of 2:06¼ had been made August 16 at Philadelphia and was one day too soon to retain her eligibility. His complaint was verified Aquilla Dillon was declared winner of the first two heats. She then won the third heat and the race.

Directum J. won the free for all pace and Baron Cegantle the 2:15 trot. Dr. Nick took the 2:18 trot.
