"I HAVE NEVER SEEN THE EQUAL"

That Is What Mrs. Mary Cope Says About Tanlac—Her Troubles Are Ended.

"In all my seventy-two years I have never seen the equal of Tanlac," said Mrs. Mary C. Cope of 274 N. Hicks street, Los Angeles, Calif. recently.

"During the past six years," she continued, "I had so much trouble with my stomach that I couldn't eat anything without bloating, with gas and feeling miserable after meals. I was so nervous and run-down that I could hardly rest or sleep at night and simply felt miserable all the time."

"I had read about Tanlac helping others and decided to try it myself and it has certainly proved to be the right thing for me. I have taken only four bottles so far and am feeling as well as I ever did. My stomach is in fine condition and I can eat and enjoy my meals and that first nervous feeling has all left me. I sleep as a child every night and feel strong and well all the time. I am glad to recommend Tanlac and hope my experience with it will cause other sufferers to try it."
