128 happy buyers marks the aggregate of number of lots sold in four days. Read square No. 1 and find out who some of the lot owners are, and then consult with them as to the advisability of investing in this addition. Main street on the east paved and 10th street on the north to be paved to College ave. and from College ave. paving on 6th has been let to Lewis ave., making a paved thoroughfare from the city proper to EAST LAWN ADDITION. Then we have 15th street on the south to be opened up to Terrace Drive Addition thus connecting with this high class residential section.

Each Lot is Restricted to \$3,500 Residence

Thus insuring that this is to be an ideal section for handsome homes. Every lot 50x140 and sold at prices ranging \$350 to \$550, on payments of \$50.00 cash then \$15.00 per month. No taxes or interest for the year 1919.

You buy a lot, say at \$500—
pay \$50 cash, \$15 monthly,
total \$230. Your lot will sell
in one year for \$750—Profit
\$250—Over 100 per cent on
your investment.
