Our buyer has just returned from New York and we are making our third showing of Winter wear.

Beautiful new creations—Suits, Coats, Dresses, Blouses, Skirts and Furs. The selection of models and materials and trimmings conceits is discriminating and distinctive. Never was a collection more nearly complete. Never were fashions fresher or more desirable. Never has a display been more inviting.

We are pleased to announce that we made a special purchase of Coats far below the early market values and will put these Coats on sale Monday at prices from 20 % to 30% less than the early prices. These are all very high grade coats—Evoras, Duvetynes, Tinseltones and Normandy cloths trimmed in furs and many styles without fur—priced from $55 to $175. A good range of colors and sizes.

See our new line of Dancing Frocks, Velvet Dresses, Plaid Skirts, Duvetyne Costumes, Fur Chokers, Dainty Blouses, Short Coats of fur.
