Always remember, that all traffic should move at their normal rate in the city in which the traffic officer is posted.

In case of accident or collision with a motor vehicle, stop and give such aid as may be required. Report to police immediately, in case of an officer being present, at the scene of an accident.

When someone tries to pass and he has a right of way, do not take it as a challenge to race.

You should drive on the portion to the right of the center of the street.

Always remember, when you are driving, to keep your eyes on the road and not on the other vehicles.

When you meet another vehicle, pass to the right.

When driving in the city, when the engine is near to the right hand curb or gutter.

Do not remain at the rear of any street car which has stopped to take on or let off passengers, so as to allow unobstructed passage between the car and the curb, and the driver should come to a stop to remain standing until street car has resumed motion.
