offered in today, whether in politics, sociology, or religion, are most of them old and many of their long discredited by the sober judgment of men.

There are more reasons than one why March 1, 1921, is being looked forward to in the true Christmas spirit.

Tulsa has about \$24,000,000 more bank deposits than Oklahoma City, and there is really that much difference between the two towns.

Just as we had become reconciled to the fine up jumps in the state health department and told us that a new disease called botulism had been discovered...

Soap shots from the Dallas News. Another reason why we hate to see a girl smoke is because cigarettes and pipe smoke are almost inseparable.

Editor World: I certainly am glad you have taken the stand you did in this awful subject of hygiene. I am a scientist that should be left to fathers and mothers alone...

How do you do? I answered. "I brought you a few trifles from Paris. I wished I might bring you something worth while, but you stopped and began to undo the parcel he had brought in with him."

The Horoscope

The stars indicate, but do not compel. Saturday, March 6, 1920. This should be a most auspicious day for all human effort, according to astrology.

The Young Lady Across the Way
Copyright, 1920, by The McClure Newspaper Syndicate
The young lady across the way says she's rather independent in her political views and if we get suffrage in time she shouldn't wonder if she'd vote for a republican president and a democratic vice president.
