WANTED Good acreage. Will buy or drill where there is chance for production. Submit plat. P. O. Box 125.

ZUMWALT, WILLSON & GARNETT Certified Public Accountants Special Attention to FEDERAL TAX PROBLEMS

It Increases Rotary Drill Efficiency Goodyear Monterey Rotary Hose is designed and built for specific duty with a full knowledge of the exacting conditions of service and abuse encountered in oil-well drilling.

When the G. T. M.—Goodyear Technical Man—suggests Monterey Rotary Hose for your rotary drill, he is not offering just so many feet of hose, but a strong, flexible, long-lived hose that will increase the efficiency and lower the cost of your drilling.

He recommends it confidently for its ability to withstand rough handling and the enormous pressures necessary to force the column of mud down the drill stem.

The G. T. M. knows that Goodyear Monterey Rotary Hose will successfully combat the twisting effect of the swivel because the ends are reinforced with two extra plies.

Goodyear Monterey Rotary Hose is protected by a closely spaced wire armor, soldered at the ends so that it cannot slip.

Goodyear Monterey Rotary Hose is a wrapped-ply hose of remarkable strength and will render to the user a full measure of sure, economical service.

Our Mechanical Goods Encyclopedia for the oil field will be sent on request by writing the Mechanical Goods Department of The Goodyear Tire & Rubber Company, at Akron, Ohio.
