JULIAN BYRD - - - - Manager

Hanging a man to save him from being lynched is a species of kindness they have just been practicing down in Old Kentucky, says an exchange.

Must we wait till hard times, when men will be willing to work, in order to get the labor necessary to build our railroads and harvest our crops and get our logs out of the woods and load our vessels and cars? It would seem so. But when men must work or starve there will be poor wages. Now is the time for willing and industrious and far-seeing men to lay a foundation, for future independence.—Oregonian.

Girls are of few days and full of mischief, and whosoever is deceived by them is not wise, says a young man. When the fair girl cheweth her gum with much haste, and stampeth her pretty foot, look out. She cometh forth in the evening with a low neck dress and short sleeves, but in the morning she lieth in bed while her mother hustleth.—Exchange.

Too Successful a Sermon.

"I dined at the Carlton with the Howard Goulds in London," said a globe-trotter. "Afterwards we took our coffee on the raised platform of the foyer, where the orchestra plays, and where you get an excellent view of the smart London world.

"Mrs. Howard Gould entertained us with the story of her last balloon trip. She had stayed up much longer and gone much further than had been intended.

"'The trip,' she said, ruefully, 'was a little too successful.'

"'Oh,' said I, 'can anything be too successful?' said Mrs. Gould.

"'And she told us how a woman preached one morning a temperance sermon to her husband, who was suffering from the effects of the night before.

"'The great trouble with you, George,' the woman said, 'is that you cannot say "No." Learn to say "No," George, and you will have fewer headaches. Can you let me have a little money this morning?'

"'No,' said George, with apparent ease.'"—Minneapolis Journal.

Little Maxims.

Procrastination never facilities a difficult task.

The more deadly the weapon, the more it costs to fire it.

The most pathetic sight in the world is a fool with a diploma.

In business competition is more remunerative than co-operation.

When a locomotive really gets under way it makes very little noise.

Snap shots show the most character because they preclude the possibility of deception.

In Self Defence

Major Hamm, editor and manager of the Constitutionalist, Eminence, Ky., when he was fiercely attacked, four years ago, by Piles, bought a box of Bucklen's Arnica Salve, of which he says: "It cured me in ten days and no trouble since." Quickest healer of Burns, Sores, Cuts and Wounds. 25c at City Drug Store.

DO IT NOW.

Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from overexertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.

Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.

Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.

"I suffered terribly with heart disease. I have been treated by different physicians for my trouble without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came near making a finish of me. Some time before this a Mr. Young, of St. Louis, was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say three bottles cured me.
