Pacific Fleet Hears Pretty Girl Sing Through Wireless Phone

Two admirals and the entire force of the Pacific Fleet let official business "stand by" recently while they listened to the first concert ever given via wireless telephone. Pretty Miss Mabelle Burch, brilliant young coloratura, who is singing with the Metropolitan quartet, has a brother, Carlton, on the Submarine F-2. Miss Burch asked permission to sing to her brother at sea by wireless telephone. The request was granted by Admiral Hugh Rodman and an order issued for the entire fleet to listen in. The photo shows Admiral Rodman in his cabin on board the Pacific Fleet flagship, New Mexico, listening while Miss Burch sings by wireless phone to her brother at sea.

Mr. and Mrs. E. J. Miles are in Portland visiting their son in law and daughter, Mr. and Mrs. Will Knight.

Peace River Valley Praised by Writer

Edmonton, Alta., Nov. 11.—Agnes C. Laut, famous as an author of books dealing with the pioneer history and development of Western Canada, has returned from an extended trip in the Peace River valley.

"This north country," said Miss Laut, "will some day be one of the garden spots of Canada. It is settling slowly. That is due to the homeseeker's dread of cold. But it is a delightful place to live. In summer its lush wild meadows and riotous abundance of wild flowers suggest the tropics. In winter its climate is tempered by Chinook winds. Wheat yields thirty and forty bushels to the acre. Its vegetables are wonderful. Livestock pictures outdoors all winter."

"It is 600 miles long by 200 wide, an area equal to that of Texas, Kansas, Iowa and Missouri combined."

er, which support a population larger than that of all Canada. The Canadian Pacific railway recently took over the line that is the market outlet of the country and will have it rehabilitated by next summer. Then this rich agricultural and livestock region, I predict, will enter upon an era of rapid and remarkable development."

PE-RU-NA
For Coughs, Colds and Catarrh

Mr. E. W. Marshall, Brampton, Michigan, suffering from Systemic Catarrh involving Head, Nose, Throat and Stomach, claims a complete cure. His letter is convincing.

"For the past two years I have been troubled with systemic catarrh. I used several boxes of Pe-ru-na tablets and they have effected a complete cure. I do not hesitate to recommend Pe-ru-na for all catarrhal conditions."

Mr. Marshall is just one of many thousands who have been benefited by Dr. Hartman's famous medicine in the past fifty years.

It is by stimulating the digestion, enriching the blood and toning up the nerves that Pe-ru-na is able to exert such a soothing, healing influence upon the mucous membranes which line the body. It is a wonderfully effective remedy to restore strength after a protracted sickness, the grip or Spanish influenza.
