MUST ANSWER IN COURT.

Philadelphia Mercantile Appraisers Arrested and Held in $2,500 Bail Each.

PHILADELPHIA, Sep. 10.—District-Attorney Graham, after a consultation with Thomas W. Barlow, his assistant, and Joseph P. McCullen, counsel for City Treasurer Wright, with reference to the mercantile appraisers' matter, concluded that sufficient evidence had been obtained to make out a prima facie case against the appraisers. He therefore requested Mr. Wright to make out an affidavit upon which to base warrants for their arrest, which he did, and Magistrate Pole thereupon issued warrants for the arrest of the five appraisers, Patton, Houseman, Hunter, Crawford and Bell.

The District-Attorney requested the magistrate to fix the bail at $2,500 each, for a hearing on Monday morning at 11 o'clock.

CONTRACT LABOR SUIT.

A Pittsburg Company Must Answer for Importing Foreign Workmen.

PITTSBURG, Sep. 10.—An important suit has just been entered in the United States Circuit Court by Walter Lyon, United States District Attorney, against the Pittsburg Terra Cotta Lumber Company to recover $1,000 penalty for violation of United States laws in importing under contract foreign laborers.

The attorney complains that the defendants have become liable in the above sum in importing Robert Brooks, an alien and foreigner, and a subject of Queen Victoria, to perform the work of a bricklayer.

It is stated in the bill of complaint that Brooks was brought here under contract; he was to have steady employment at $4 per per day for nine hours work and eight hours on Saturday, and that Brooks was encouraged to come here by agents of the defendants.

J. D. Layton, Inspector of Immigration, is the prime mover in this suit.

Tried to Kill His Brother-in-Law.

BOSTON, Sep. 10.—John Cotter has been arrested in this city charged with conspiring to kill his brother-in-law, Luther Rowe, a prominent real estate dealer. Cotter took a man named William Butler into his confidence and the latter reported the matter to Mr. Rowe. Rew informed the police who arrested Cotter. Cotter was loaded down with weapons when taken into custody. He claims that Rowe swindled him out of a large amount of property. Cotter tried to assassinate Rowe once before and served two years for the crime.

The Thiti Not Molested.

SAN FRANCISCO, Sep. 10.—The brig Tahiti, which put into Drake's Bay Saturday in distress, has left for San Benito, Mexico with her human cargo of South Sea Islanders. The customs officers were in doubt as to the course they should pursue in the matter, but as the vessel was driven upon the coast by stress of weather and had not intended to enter American waters, they decided to take no action in the matter.

To Fight Elevator Companies.

ST. PAUL, Sep. 10.—The grangers have determined to form a combination in their own interests under the title of the Grain Growers' Association, to fight the elevator companies. They will erect and operate their own elevators in opposition to the present monopolistic company. This means a bitter war between the elevator companies and the farmers.

Dismasted and Abandoned.

NEW YORK, Sep. 10.—A dispatch from Jamestown, Me., says the British schooner Emma was towed into that port dismasted and abandoned. The yawls were missing, and it is supposed that the crew had taken to the boats and that they have been picked up by some passing vessel. The Emma was owned at Charlottetown, P. E. I.

A Deep Scheme.

Tourist—That is an odd setting for a photograph gallery—a gaunt oak limb with a dangling noose and a background of a howling mob.

Oklahoma Photographer—That's a little invention of my own. Lots of newcomers from the east have their pictures taken with that noose around their necks, to send back where they came from. It is cheaper than paying their debts and easier than getting a divorce.—Jury.

Merit Wins.

We desire to say to our citizens, that for years we have been selling Dr. Kling's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. C. H. Hagenbuch, Druggist.

Advertising

It is said will sell anything, this is true in a measure; but for staying qualities,—merit is the test. Extensive advertising may sell anything where it is new or unknown, but after it comes into general use, it is judged according to its worth. The continued and steady growth of Swift's Specific

It is most popular where it is best known. Every bottle sold, sells ten others. Every one that takes it becomes its friend, and recommends it to their acquaintances.

ITALY AND OUR FAIR

King Humbert's Silence Has Aroused Italians Here.

A BIG MEETING TO BE CALLED.

Strong Efforts Being Made to Have the Country Represented.

The Famous White Squadron to Be Disbanded—Concessions Believed to Have Been Made By Both Sides in the Itata Matter—Chairman Cooley's Resignation the Result of Ill Health.

WASHINGTON, Sep. 10.—The failure of the Italian government to accept the invitation of the United States to participate in the World's Fair caused prominent Italian citizens in this country some time ago to urge Italy to change its decision.

No answer was made to the request.

At a meeting held here last night of the Italo-American committee on promotion of the World's Columbian Exposition, a body created at a meeting which urged the acceptance of the invitation, the president, Dr. T. S. Verdi, reported that the previous resolutions had been forwarded through the proper diplomatic channel to the Italian government, and, though eight weeks have elapsed, no official answer has been received, and that, under the circumstances, he would suggest that a general meeting be held in Washington, at which the Italo-American citizens of the United States should be represented to give expression to the necessity of having the Italian government participate in the great exposition.

Mr. Carnevisti, the secretary of the committee, agreed to the necessity of such an appeal coming from 1,500,000 Italo-Americans in the United States. There were differences, he said, between the two governments, for which the people, as a whole, of neither country are responsible; therefore, he said, the government of Italy should overcome sensitiveness when confronted with a national duty.

Resolutions calling for a meeting of Italo-Americans in Washington on Dec. 7 next, to take action looking to the promotion of the fair and urging Italy to accept the invitation of the United States, were adopted.

TO BE DISBANDED.

Vessels of the Famous White Squadron Ordered to Different Stations.

WASHINGTON, Sep. 10.—The Squadron of Evolution, or the White Squadron, which has attracted so much attention throughout this country and Europe is to be disbanded.

Secretary Tracy has issued orders to the chiefs of bureaus in the Navy Department directing them to make the necessary arrangements for preparing for sea service two vessels of the squadron—the Yorktown and the Petrel.

The Petrel, one of the smaller vessels of the navy, will go to China via the Mediterranean Sea and the Suez Canal. Her small size makes her especially fitted for the China station, enabling her to cruise in many of the rivers for a considerable distance inland.

The Yorktown, a gunboat, will be assigned to the Pacific.

The other vessels of Admiral Walker's command will probably be assigned to foreign stations.

THE ITATA CASE.

Concessions Believed to Have Been Made by Both Sides.

WASHINGTON, Sep. 10.—It is learned that the abandonment of the case against the Itata is the result of an agreement between this government and the new Chilian government, whereby the latter is to reimburse the United States for the expense incurred in the chase of the Itata.

In return the Congressionalist agents are freed from a further prosecution of the neutrality laws and the steamer is released.

Conference Over Keystone Bank Affairs.

WASHINGTON, Sep. 10.—Receiver Yardley, of the Keystone National Bank of Philadelphia, accompanied by several government officials from Philadelphia, had an extended conference with Comptroller Lacey at the Treasury Department last evening in regard to matters concerning the Keystone Bank. Second Comptroller Gilkerson was called into the conference, the result of which is unknown. Those in it refused to disclose its object.

Chilian Refugees Landed at Peru.

WASHINGTON, Sep. 10.—The only Chilian news of an official character received during the past 12 hours was contained in a cable dispatch from Admiral Brown to the Navy Department. He said the Baltimore had arrived at Malendo, Peru, and placed the Chilian refugees on shore and would return without delay to Valparaiso.

Bond Redemption.

WASHINGTON, Sep. 10.—At the close of business last evening the Treasury Department had redeemed $10,855,100 four and a half per cent. bonds, and extended $224,110,350 at 2 per cent., leaving outstanding about $47,000,000.

Why Chairman Cooley Resigned.

WASHINGTON, Sep. 10.—A letter has been received from Judge Cooley giving sickness as a reason for resigning his position as chairman of the Interstate Commission.

Site for Lynn's Public Building.

WASHINGTON, Sep. 10.—Assistant Secretary Cromuse has selected the property bounded by Liberty, Willow and Washington streets in Lynn, Mass., as the site for the new public building in that city.

Will Demand Indemnity.

NEW YORK, Sept. 10.—The Morgan Line Steamship Company announces that a demand will be made upon the British government for indemnity for the cargo stolen from the stranded steamer El Dorado by the Bahama wreckers.

Ex-Janitor Daley's Trial.

"There's something behind it." That's what you think, perhaps, when you read that the proprietors of Dr. Sage's Catarrh Remedy offer $500 reward for an incurable case of Catarrh. Rather unusual, you think, to find the makers of a medicine trying to prove that they believe in it. "There must be something back of it!"

But it's a plain, square offer, made in good faith. The only thing that's back of it is the Remedy. It cures Catarrh in the Head. To its mild, soothing, cleansing and healing properties, the worst cases yield, no matter how bad or of how long standing. It has a record that goes back for 25 years. It doesn't simply relieve—it perfectly and permanently *cures*. With a Remedy like this, the proprietors can make such an offer and *mean* it. To be sure there's risk in it, but it's so very small that they are willing to take it.

You've "never heard of anything like this offer?" True enough. But then you've never heard of anything like Dr. Sage's Remedy.
