THE BURIAL PLACE OF BOOTH.

General L. C. Baker has published a diary, in which he details his connection with the "secret service" of the War Department during the war of the rebellion. He makes the following statement in regard to the disposition made of the body of John Wilkes Booth:

General Barnes, Surgeon General United States army, was on board the gunboat where the post mortem examination was held, with his assistants. General Barnes cut from Booth's neck about two inches of the spinal column through which the ball had passed; this piece of bone, which is now on exhibition in the Government Medical Museum in Washington, is the only relic of the assassin's body above ground, and this is the only mutilation of the remains that ever occurred. Immediately after the conclusion of the examination the Secretary of War gave orders as to the disposition of the body, which had become very offensive owing to the condition in which it had remained after death; the leg, broken in jumping from the box to the stage, was much discolored and swollen, the blood from the wound having saturated the under clothing. With the assistance of L. B. Baker I took the body from the gunboat direct to the old penitentiary, adjoining the old arsenal grounds. The building had not been used as a prison for some years previously. The Ordnance Department had filled the ground floor cells with fixed ammunition. One of the largest of these cells was selected as the burial place of Booth. The ammunition was removed, a large flat stone lifted from its place, and a rude grave dug; the body was dropped in, the grave filled up, the stone replaced, and there rests to this hour all that remained of John Wilkes Booth.

CURE FOR A BLACK EYE.—We have never tried the following cure for a black eye, never having had our optic windows done up in mourning. However, we give the recipe for the benefit of whom it may concern: Immediately on the eye being struck with force enough to make it black, apply a cloth wet with water just as hot as you can bear it; keep on applying the water for fifteen or twenty minutes, and the coagulated blood will become thin and pass off into natural channels, and leave the eye, perhaps swollen, but free from blackness.

CUT THIS OUT.—For a long time hydrophobia was thought to be incurable, and persons afflicted with it were either strangled or smothered to death. But a German forrester dying a few years ago, made known a life secret by which he had saved many lives, and which may serve a good turn to some of our readers. Bathe the wound constantly with hartshorn, and give three or four doses diluted during the day. The hartshorn decomposes chemically the virus insinuated into the wound, and immediately alters and destroys its deliriousness.

COE'S DYSPEPSIA CURE!!

This great remedy for all DISEASES OF THE STOMACH is the discovery of the inventor of Coe's valuable Cough Balsam, while experimenting for his own health. It cured Cramp in the Stomach for him which had before yielded to nothing but choloform.

The almost daily testimony from various parts of the country encourage us to believe there is no disease caused by a disordered stomach it will not speedily cure. Physicians endorse and use it. Ministers give testimony of its efficacy; and from all directions we receive tidings of cures performed.

Dyspepsia it is sure to cure. *Heartburn* one dose will cure. *Sick Headache* it has cured in hundreds of cases. *Headache and Dizziness* it stops in thirty minutes. *Acidity of the Stomach* it corrects at once. *Rising of the Food* it stops immediately. *Distress after Eating* one dose will remove. *Cholera Morbus* rapidly yields to a few doses. *Bad Breath* will be changed with half a bottle.

IT IS PERFECTLY HARMLESS!

Its unprecedented success is owing to the fact that it cures by assisting Nature to re-assert her sway in the system.

Nearly every dealer in the United States sells it at ONE DOLLAR PER BOTTLE.

Dr. STRICKLAND'S Pile Remedy, which, without doubt, the only preparation known which will cure obstinate cases of Blind and Bleeding Piles. The Doctor has thousands of letters to prove this assertion—many of them very extraordinary cures, one of which, that of Mr. Baker, of Johnstown, Cambria county, who, having suffered for many years with the Piles, were both cured with one bottle. Another is that of Mr. Rockafellow, of Kalamazoo, Michigan, who, after suffering for years, was cured by this Remedy after other medicines had failed. Another is that of Mr. Beebe, of Jersey City, who was cured by this Remedy after suffering for many years. Another is that of Mr. Bowen
