The manner in which far Western towns accommodate themselves to exigencies is amusing. Nebraska City, having been damaged by diversion of travel by the Union Pacific Railroad, is gradually disappearing, and the North Platte *Index* says that that city is disappearing as if by jugglery. It says: It is a novel sight to see a whole town packing up and walking off in a single day. Nearly every who has been engaged in business here is going into business at Julesburg. The next number of the *Index* will be published at Julesburg.

**POPULATION OF MILWAUKEE.**—Two years ago, a census showed that the population of Milwaukee was 55,000, and the *Sentinel* now claims, on the basis of a directory just published, 76,000 permanent citizens, and also predicts that in 1870, three years hence, that city will roll up an enumeration considerably over 100,000.

**CAUTION! CAUTION!**  
IT has come to our knowledge that persons from the country and city, ordering that GREAT MEDICINE, the QUEEN'S DELIGHT, have their orders filled by another medicine, called Epping's Sarsaparilla. This is a pernicious habit on the part of any druggist or apothecary to make such substitutions, and it must reflect upon their pharmaceutical knowledge to say to their customers that they are the same, when it is known that do not know the constituents of the medicine Queen's Delight, as prepared by Heintzsch.

This is to caution the people that "HEINTZSCH'S QUEEN'S DELIGHT" is an entirely different article—a new pharmaceutical product and combination of roots and gums, and is the only medicine that performs so many extraordinary cures among the people. Over 1,600 bottles have been sold at our store in less than eleven months, and the demand increasing from all parts of the country.

Purchasers should be careful to ask for "Heintzsch's Queen's Delight." This is the name. Please remember it—"Queen's Delight." For sale by

## A Truly Wonderful Medicine!

## HEINTZSCH'S QUEEN'S DELIGHT.

### Liver Complaint Cured by Queen's Delight.

THE symptoms of Liver Complaint are those affecting the stomach are nausea, heart-burn, loss of appetite, disgust for food, sometimes a depraved appetite, sense of fullness or weight in the stomach, sinking or fluttering in the pit of the stomach, sour eructations, coated tongue, acidity of the stomach, hurried and difficult breathing, &c.  
The sympathetic affections are very diversified—cold feet, pain or weakness through the limbs, swimming of the head, sudden flushes of heat, &c.  
The use of the QUEEN'S DELIGHT should be persevered in until every symptom of Dyspepsia has vanished, and health is entirely restored.

## Derangements of Liver and Stomach

Are sources of insanity. From disorder or obstruction, a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; derangement there will also produce disease of the heart, skin, lungs and kidneys. It is owing to the same cause that thousands die with Cholera, Bilious or Yellow Fever, and that most baneful disease, Consumption.

The origin of numerous cases of Consumption is impaired digestion; and many, many cases of supposed Consumption could be entirely cured by the use of the QUEEN'S DELIGHT, as the emaciation, debility and cough attending weakness of the digestive organs are so near allied to the symptoms of Consumption, that the one disease is frequently mistaken for the other.

## Notice.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous and have no appetite. To this class of invalids, the Queen's Delight is especially recommended. Their peculiar tonic and invigorating properties render it invaluable in such cases. The patient should immediately discard all pills and powders, as they only weaken the system, and resort to the use of the Queen's Delight, the invariable result of which will be a strong and hearty constitution, a disappearance of all nervousness, a good appetite and a perfect restoration to health.

Weak and delicate children are made strong by using the Queen's Delight. In fact, it is a Family Medicine; it can be administered with perfect safety to a child three months old, the most delicate female or a man of ninety.

Be sure and ask for "HEINTZSCH'S QUEEN'S DELIGHT," none other is genuine. For sale by FISHER & HEINTZSCH, July 9 Druggists, Columbia S. C.
