

**"Death is the Crown of Life."**

While it is with sorrow that the Drayton Rutherford Chapter, U. D. C., records the death of one of its members, Miss Virginia Reagan, it bows in submission to God's will and offers this tribute to her memory:

She loved the cause, and showed her respect for those who battled for their rights by adding her name to the company whose aim it is to keep alive the memory of those who fought and died for their country.

Though it was never her privilege to attend any of the meetings of the chapter she was greatly interested in all of its proceedings and would have made a valuable member; therefore, be it

Resolved, That while we, the members of this chapter, do hereby express our deep sense of the loss we have sustained, the memory of her faithfulness, both to friends and to duty will stimulate us in our efforts to be more worthy the name of the Daughters of the Confederacy.

2nd, That we extend to the bereaved family our sincere sympathy in this great sorrow, commending them in our prayers to the tender care of the great Comforter, whose compassions fail not.

3rd, That a copy of these resolutions be sent to the family of the deceased, and also inscribed upon the records of the Drayton Rutherford Chapter, U. D. C., Newberry, S. C.

In behalf of the Chapter,  
 MRS. J. A. BURTON, Chmn.  
 MISS LALLA MARTIN,  
 MISS EMMA WILSON,  
 Committee.

**Cause of Lockjaw.**

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one third the time required by the usual treatment. It is for sale by W. E. Pelham & Son, Newberry, S. C., and Prosperity Drug Co. Prosperity, S. C.

**First Cost Not the Cheapest.**

The first cost of an article does not necessarily determine its cheapness. For instance, a sack of "Clifton" flour may cost you a little more than other so-called patent flours, but it will be cheaper to you in the end. Why? Because it will not only make more bread to the sack, but will take less lard and soda to make it. Order a sack of "Clifton" and make a test for yourself. It will prove the truth of this statement.

If troubled with a weak digestion try Chamberlain's Stomach and Liver Tablets. They will do you good. For sale by W. E. Pelham & Son, Newberry, S. C., and Prosperity Drug Co. Prosperity, S. C.

Letter to J. M. Schumpert, Newberry, S. C.

Dear Sir: You are interested in the prosperity of your town. You can contribute to it materially, and give it a far more prosperous look at the same time.

Perhaps the public property needs a good coat of paint.

Devoe will supply that coat with two-thirds of the number of gallons required of any other. Devoe will last twice as long as any other. Devoe is all paint and full-measure. Devoe is the strongest paint known. Devoe will take care of the property, in the long run, for half the money required by any other.

The reason stated above: Devoe is all paint and full-measure: the strongest paint known.

E. D. Jewell, Corry, Pa., painted his house 5 years ago with a mixed paint; took 14 gallons. Last spring he repainted with Devoe; bought 14 gallons and had 4 left. Saved \$15 to \$20, for painting costs two or three times as much as the paint.

Yours truly,  
 F. W. DEVOE & Co.,  
 New York.

P. S.—The Newberry Hardware Co., sell our paint.

**Get the Best For the Asking.**

When you order a sack of patent flour from your grocer, do not tell him to send you "a sack of good flour", but tell him to send you a sack of "Clifton," because "Clifton" is the best patent. Every sack is sold with this guarantee, and if it does not prove as represented, your money will be refunded. "Clifton" is an all-round flour, and is as good for cake and pastry as light rolls and biscuit.
