SOUTHERN DEATH LIST INCREASES

Over Ninety People Killed and Scores Hurt in Storm.

RETURNS STILL INCOMPLETE

Damage to Property Cannot Be Estimated, but Will Have to Be Computed in Millions.

New Orleans, March 15.—Indications from late reports are that more than ninety people were killed, scores severely injured and great property loss sustained in the disastrous electrical storm which swept parts of Georgia, Tennessee, Alabama, Louisiana, Mississippi and Texas.

Eighty odd deaths have been reported and the total loss of life probably will be increased when wire communication is restored in remote sections devastated by the cyclone. The damage to property cannot be estimated, but will have to be computed in millions.

Twenty-nine persons are reported to have perished in Georgia and damage to property is roughly estimated at \$1,000,000. Calhoun, Gordon county, Georgia, and vicinity bore the brunt of the storm in that state, where eleven persons are reported to have been killed. The other fatalities in Georgia were nine at Tucker, four at Eaglesville, three at Clarkston and two at Columbus.

Late reports from Tennessee have increased the death toll in that state to twenty-three persons. The loss of life in Alabama is estimated at thirteen, although several persons still are reported missing. Five negroes were killed near New Decatur, three persons perished at Calera and two each at Hokes Bluff, Gaylesville and Duke.

One death has been reported in Texas.

Late reports from Northern Mississippi raised the death list from seven, as first reported, to thirteen. These fatalities occurred in seven counties. Wire communication with a number of towns struck by the storm still is interrupted. No more deaths have been reported from Louisiana.

FIFTY-MILE WIND BLOWING

Million Dollars' Damage in Chicago and Illinois.

Chicago, March 15.—It is estimated that the damage done by the severe wind and rain storm which swept Chicago and Illinois will aggregate nearly \$1,000,000. In Chicago the wind attained a velocity of fifty miles an hour for several hours and thousands of plate glass windows and doors in all parts of the city were demolished.

Electric light wires were blown down in many sections of the city and as a result many miles of streets were in darkness. Telegraph wires south and west were down and service impaired for a number of hours.

STRIKERS SECURE DEMANDS

Twenty Thousand Resume Work at Increased Pay.

New York, March 14.—The big strike of 20,000 members of the women and children's garment makers' union, which went into effect last Monday, has ended.

All workers went back to work on a compromise agreement, which provided for a fifty-hour working week, the "preferential" union shop, advances in wages averaging about 15 per cent, a permanent board of arbitration to adjust disputes and sanitary workshops. The subcontractor and tenement work plans are to be abolished as quickly as possible.

STRIKE VOTE BEING TAKEN

Chicago Trainmen May Go Out to Enforce Demands.

Chicago, March 16.—A strike vote by 6,000 local members of the Brotherhood of Railway Trainmen has started at the yards of nineteen railroads affected.

A. F. Whitney, vice president of the Brotherhood, said that he was confident the vote would be in favor of making a demand on the roads for the terms which have been refused the committee on negotiations. The demands do not involve more pay except for overtime and night and Sunday work.

OLNEY DECLINES POSITION

Cannot Accept Ambassadorship to Great Britain.

Washington, March 16.—Richard Olney of Boston, to whom President Wilson offered the post of ambassador to Great Britain, has declined.

Mr. Olney, a letter was said to be of a confidential nature and was not made public. Secretary Tumulty, however, announced that Mr. Olney had declined "for family reasons." It is understood that Mrs. Olney has been in poor health and that Mr. Olney was loath to change his residence at his advanced age.

WILLIAM F. M'COMBS.

Democratic Chairman Declines Diplomatic Post.

M'COMBS DECLINES POST

Prefers Private Life to Ambassadorship at Paris.

Washington, March 14.—Chairman William F. McCombs of the Democratic national committee told President Wilson he preferred not to accept the post of ambassador to France, that he might remain in private life and probably retain the chairmanship of the national committee. President Wilson urged Chairman McCombs not definitely to decline the offer until he had considered it further, and Mr. McCombs agreed to do so.

ASK BRYAN TO LEAD GREAT BIBLE CLASS

Fifty Clergymen Call on Secretary of State.

Washington, March 16.—Fifty clergymen of every denomination, headed by Rev. Herman S. Pinkham of the Emmanuel Baptist church, called at the state department and urged Secretary Bryan to take the leadership of what they hope will prove the greatest interdenominational Bible class in the world. If Mr. Bryan accepts it will immediately be known as the Bryan Bible class.

The plan is to engage some great hall in the center of the capital and hold services for men there on every Sunday afternoon. It is part of a general movement to get men, and especially the young men, into the church.

Secretary Bryan has been much in demand by the religious organizations since he took office. He has been asked to lead a Bible class in at least one church and he has been pressed to deliver two or three lectures on Christianity in aid of the church recruiting movement. So far he has made no promises.
