Notice the Sharp Cut in each Department, Special for this Week.

We owe the LADIES' COAT DEPARTMENT a special grudge. We don't want to own one in a week from now. Cost is forgotten. You see them and you buy them.

The Clothing Department is an awful big Jag of Merchandise. IT MUST GO. If you see it, you will carry away some of it.

Machinery and Carriages

You can have any of it at manufacturer's prices.

You know the circumstances. Mr. Peever's death renders it necessary to settle his business. We don't like to sell goods at cost or at a loss, but we have no choice.
