\$75,000,000 TO BE RAISED IN SOUTH

BAPTISTS ANNOUNCE PURPOSES TO WHICH VAST SUM THEY SEEK WILL BE GIVEN.

STRENGTHEN CHURCH WORK

Special Effort of Denomination Along General Lines Will Be Enlarged And Made Stronger As Result Of This Campaign.

Every general interest fostered by Southern Baptists will be strengthened and enlarged through the success of the Baptist 75 Million Campaign which is now well under way, and which will reach its climax in the final drive to secure this sum in cash and subscriptions during the eight days of November 30 to December 7. A period of five years will be provided for the final payment of these subscriptions but for the campaign to succeed, the sum of \$75,000,000 must be subscribed within the eight days. Many have expressed the belief that the subscriptions will run to \$100,000,000.

At a meeting of the Executive Committee of the Southern Baptist Convention the \$75,000,000 to be raised was apportioned among the general inter-

ests fostered by the Convention, as follows: Foreign missions, \$30,000,000; home missions, \$12,000,000; christian education, \$20,000,000; state missions, \$11,000,000; ministerial relief, \$2,500,000; orphanages, \$4,700,000; and hospitals, \$4,125,000.

The apportionment of this sum among the several states within the territory of the Convention has been announced as follows: Alabama, \$4,000,000; Arkansas, \$3,200,000; District of Columbia, \$200,000; Florida, \$1,000,000; Georgia, \$7,500,000; Southern Illinois, \$1,200,000; Kentucky, \$6,500,000; Louisiana, \$3,325,000; Maryland, \$750,000; Mississippi, \$2,380,000; Missouri, \$2,925,000; New Mexico, \$250,000; North Carolina, \$8,000,000; Oklahoma, \$2,350,000; South Carolina, \$5,500,000; Tennessee, \$4,500,000; Texas, \$16,700,000; and Virginia, \$7,000,000.

Here is what this big sum of money will help Southern Baptists do for the Master, as set forth by the Campaign Commission:

"It will equip more adequately and multiply manifold the 1,099 missionary workers of the Foreign Mission Board, and the more than 2,000 Home and State Board Missionaries.

"It will enlarge and raise to a better efficiency the 132 Baptist schools in the South.

"It will go far towards meeting the expanding needs of the Southern Baptist Theological Seminary and the Women's Missionary Training School in Louisville, Ky., the Southwestern Baptist Theological Seminary and Women's Training School in Fort Worth, the Baptist Bible School in New Orleans, La., a Theological Seminary for the Negroes, and will provide a first-class college for boys and girls of the mountain region.

"It will increase greatly our hospital service to the sick, open wider our arms to the orphans and provide a strong support for our aged ministers of the gospel.

"It will put Southern Baptists in position to assume a considerable share in the reconstruction of war-torn Europe and embrace many of the marvelous opportunities for service which

thrust themselves upon us from all parts of the world, at home and abroad."

While \$20,000,000 of this sum will go to foreign missions and the remainder expended in carrying the gospel and its blessings to other lands, the remaining \$55,000,000 will be expended at home in building up home missions, educational and benevolent institutions and projects, of which there are a number in every state within the boundaries of the convention.

BAPTISTS LAUNCH WORLD PROGRAM

PLAN TO RAISE \$75,000,000 FOR GENERAL PURPOSES WITHIN NEXT FIVE YEARS.

WHOLE SOUTH TO CO-OPERATE

Each State is Given Definite Task To Perform in Raising Huge Sum For Denomination's New Budget—Drive Is On.

Recognizing the need of the world for more religion and christian service along general lines, the Baptists of the South have resolved to contribute \$75,000,000 to a program of reconstruction following the war, and have laid plans to subscribe this sum during the week of November 30-December 7, a period of five years to be given in which to complete the payment of these subscriptions.

The decision to inaugurate this world program was reached at the meeting of the Southern Baptist Convention in Atlanta last May, when more than 4,000 delegates present voted unanimously to undertake the

Dr. L. R. Scarborough of Fort Worth, Tex., General Director of Campaign.

task. The campaign has now been organized with the general headquarters in Nashville, Tenn., where Dr. L. R. Scarborough, president of the Southwestern Baptist Theological Seminary at Fort Worth, is in charge as general director for the South. He is assisted by a number of men in charge of special divisions of the work, while each of the eighteen states in the territory of the Southern Baptist Convention has in turn perfected a state organization, including a State Director, a State Organizer and State Publicity Director. Each association, or district, within each of the states has likewise gotten busy by naming its associational or district directors, and the work of organization has been carried into the local churches to the extent that practically all of the more than 25,000 local Baptist congregations in the South have their workers named to help put over the biggest church drive that has ever been attempted in this section of the country. There are 5,000,000 white Baptists holding church membership in the South, and it is hoped to reach every man, woman and child among them with the message of this campaign and give each of them a part in the plan of saving the world by giving to the extent of their ability to this vast conservation fund.

Christian education, home and foreign missions, state missions, ministerial relief, orphanages and hospitals, are among the various general interests of the denomination that will be cared for in this campaign, the matter of local church expenses, and local church equipment not being included.

Between now and November 30th every effort will be put forth in organizing and mobilizing the Baptist forces in the South, preparatory to the launching of the big drive for the subscriptions and cash payments. July was known as preparation month, August was designated as information month, during which time every effort has been put forth in informing the people on every phase of the campaign, while September has been designated as information month, October

preparation month, November as subscription month, and the period between November 30 to December 7 as the final drive.

"I have undertaken a big task," said the General Director, "and I have undertaken it in the name of His glory, and by His grace, and I believe I shall succeed. There is no glory enough for all of us to succeed unless we cannot succeed except by His grace, and we must pray for His grace."
