HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time..."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, 'It's a good medicine, and good for that trouble', so he got me 5 bottles. After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it.

Prof. H. Clark spent Sunday in Cookeville.

Nathan Cox, of Baxter, was here last week.

Chas. Jernigan, of Double Springs, was here.

A. C. Chaffin, route 4, was here Saturday.

GAINES TWENTY-THREE POUNDS

"Tanlac Changed me From a Nervous Wreck to a Healthy Woman," says Mrs. Burgin.

"When I told my husband I wanted a bottle of bottle of Tanlac he said 'You might as well throw your dollar out in the street but if you want to try it I will get you a bottle.' He did get it, and when I had finished taking it he went straight to the drug store and got another bottle, for he saw the wonderful good it had done me, was convinced it was a grand medicine, and was mighty glad to pay out another dollar," said Mrs. G. R. Burgin, of 214 Second street, Birmingham.

"Since I began taking Tanlac," continued Mrs. Burgin, "it looks like every time I look in the mirror I am heavier, and, no wonder for I went from 80 pounds to 103 a gain of twenty-three pounds. It took just five bottles of Tanlac to do this for me. Besides, it has changed me from a sick, run-down, worn-out and nervous wreck into a healthy woman, and I now feel like living.

"Really, I had gotten so weak I couldn't hardly lift a scuttle of coal to the fireplace. My kidneys were all out of shape; I was too nervous to sleep and my stomach was all out of order. I was in this very condition three long years. I was losing ground every day, and lost weight until I was almost a living skeleton, I had about despaired of ever seeing a well day again, for no kind of medical treatment seemed to help matters in the least. Finally, I got practically helpless.

"If anybody would have told me there was a medicine on earth that would increase my weight twenty-three pounds I would have thought them crazy, but as sure as I am alive today, Tanlac did it for me—and only five bottles at that."

"It looks like every day I am stronger and feel better. I have a good appetite, and enjoy every thing I eat. Before I began taking Tanlac I couldn't eat hardly anything without becoming nauseated. I sleep sound and am rid of the nervousness. My kidneys bother me no longer. To tell you the truth, I don't feel like the same person at all since Tanlac straightened me out."

"Yes, Tanlac is the greatest medicine on earth," said Mrs. Burgin's father, who entered the room during his daughter's conversation. "If you could have seen my daughter before she began taking Tanlac you would not believe it was the same person who you see sitting there. She was just about played out. I just came by the drug store, and knowing her Tanlac was about out I bought her this bottle. If her appetite picks up much more she will come pretty near eating us out of house and home. I guess she has starved long enough and it does me a lot of good to see her eat heartily."

L. B. ANDERSON, Gainesboro, Tenn. W. M. BOYD & SON, R. 1, Defeated, Tenn

GLAD TO LEARN OF IT April's changeable weather causes colds that lead to expensive doctor bills bills that could be avoided if the cold were checked in time. O. Smith, 1421 12th St., Augusta, Ga., writes: "I got one 25c bottle of Foley's Honey and Tar and my cough and cold is about well. I was glad to learn of a great medicine like that." Foley's Honey and Tar enjoys such a splendid reputation that it is often imitated. Of course, no substitute or imitation is as good as the genuine.—Sold by L. B. Anderson, Gainesboro. Father was walking to Sunday school with little Johnnie, and endeavoring to improve the time by teaching Johnnie his Golden text, the words of which were; "Whatsoever a man soweth that shall he also reap." Johnnie repeated it after his father several times and seemed to have mastered the correct wording. As they drew near the school the father gave Johnnie his last rehearsal. Now son he said lets have the golden text once more without any help from me. This is what he got from Johnnie. "Whatsoever a man sews always rips."
