

FARM LOANS

Loans on farm lands, at the rate of 6 percent interest, WITH PRIVILEGE OF PAING ON THE PRINCIPAL at any annual interest period.

As a rule farmers do not care to encumber their land with a long term mortgage without the privilege of repaying the entire loan in a reasonable length of time. Many sales have been prevented because the borrowers have been unable to obtain a release of the mortgage before maturity without the payment of a HEAVY BONUS Under the option in our mortgage papers THE BORROWER CAN REPAY THE ENTIRE LOAN, OR ANY PORTION OF IT, AT ANY INTEREST PERIOD if he desires to do so.

The partial payment privilege, and long time, make this contract a very favorable and desirable one for farmers.

WE GIVE ALL LOANS OUR SPECIAL ATTENTION AND CLOSE THEM WITHOUT DELAY AS WE ARE NOT HANDICAPPED BY THE LACK OF MONEY.

As I haven't seen anything in the paper from this section of the State since I've been here, Thought I would drop a few lines.

I am 15 miles out of Taft, with the American Pet. Co.

There are several boys here from old Jackson County and all of them are at work, except Arthur Allen. He arrived here Saturday. Arthur says if the world is as long the other way as it is from Gainesboro out here, it is pretty good size piece of land after all.

Times are very good here. This Company is doing quite a lot of work, although not near as much as when I came here.

Jace Stafford and Jim Poston down from Coalinga, about three weeks ago, and went to work. They say times are dull in Coalinga.

It is extremely hot here. I haven't seen any rain since I left there, June 4th. It registered 122 in the shade a few days ago. That's some heat, believe me. The sand is so hot the lizards have to crawl up the steam pipes to get their breaths.

A man never can figure out to his own satisfaction what his wife saw about him to make her believe he was worth settling down with, and some of us might feel worse if we did really know how it happened.

The reason that an august body like the legislature meets in January is because it would not be practical for it to meet in August for the reason that when it came to September morn there would not be a man left on the job.

O. G. Fox Declared Nominee
