Two of a Kind.
 Mrs. Hardyfe—What does your husband do, Mrs. Gaeburd?
 Mrs. Gaeburd—He's a dramatic critic. He sits at the theater in a nice easy seat and criticizes the play. What about yours?
 Mrs. Hardyfe—Oh, he's a rheumatic critic. He sets at home in a nice easy chair, nurses his rheumatism and criticizes me.

Worse Than That, and Then Some.
 Sympathetic Red Cross workers crowded around Sergt. George Skind of the Thirtieth marines, who lives in Chicago, when he limped off the Manchuria on its arrival at New York.
 "When and where were you hit by a shell?" queried a Red Cross worker.
 "Hit by shell nothin'. I was an M. P. and tried to pinch four doughboys one night. That was 40 days ago, and I've been in the hospital ever since."

Catarrhal Deafness Cannot Be Cured
 by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. **HALL'S CATARRH MEDICINE** acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces. **ONE HUNDRED DOLLARS** for any case of Catarrhal Deafness that cannot be cured by **HALL'S CATARRH MEDICINE**. All Druggists 75c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

BOSCHEE'S SYRUP
 Why use ordinary cough remedies when Boschee's Syrup has been used so successfully for fifty-one years in all parts of the United States for coughs, bronchitis, colds settled in the throat, especially lung troubles? It gives the patient a good night's rest, free from coughing, with easy expectation in the morning, gives nature a chance to soothe the inflamed parts, throw off the disease, helping the patient to regain his health. Made in America and sold for more than half a century.—Adv.

Journalistic Atmosphere.
 "So this is an editorial sanctum?" said the fair visitor.
 "Yes, ma'am," replied the editor of the Chiggersville Daily Truth.
 "Dear me! It certainly does need a thorough cleaning."
 "These old newspapers, scraps of copy, cigar stubs, pipes, tobacco, ashes, sour paste pots and this battered furniture constitute a sanctum, ma'am. A woman with a broom and a duster would soon convert this peaceful retreat into a chamber of horrors."—Birmingham Age-Herald.

Logical.
 A Richmond youngster had quite a list of toys he wished for Christmas. His mother took him downtown to see the toys, so that she could know just what sort of gun, wagon, etc., he desired. He noticed the way she exhibited to him the different styles of the toys he had ordered, and her anxiety worried him. Finally he could stand it no longer. "Mamma," he broke out, "if you want to so badly you can just buy me all those things now and when I get home I'll think up something else for you to get me for Christmas."—Indianapolis News.

Detecting Pretended Deafness.
 In cases where there is hysterical and imagined deafness, or plain simulation, the following ingenuity is prescribed: The patient is made to sing with a piano accompaniment. Then the pianist changes the key (from one-half to one tone or more), and if the singer is not really deaf he is carried along by his singing and changes to the key given by the piano. By playing in varying strength one may by this means estimate the degree of ailment in a subject having an incomplete deafness.

Complex, indeed.
 A teacher in the North Vernon schools was grading some manuscripts from a recent examination, says Indianapolis News. One of the questions asked ran like this: "Define and give an example of a complex compound sentence." In answering the question one pupil gave the following as an example:
 "The only saw that I ever saw was a buzzsaw down in 'Arkansas.'"
 The teacher is under the impression that the answer was somewhat complex.

Poor Fellow.
 The Professor—This mummy has been dead 2,200 years.
 The Girl—Gracious! It's a wonder he wasn't buried long ago.

Fashionable.
 "Was it a fashionable wedding?"
 "Very. The groom wore his army uniform."

Very Short.
 First Messenger Boy—Gee. Dis is a long novel.
 Second Messenger Boy—Naw. Yer kin read it in three messages.
 A grave and majestic outside is, as it were, the palace of the soul.—Chinese Proverb.

FOR BETTER ROADS

GREAT ROAD BUILDING YEAR
 Thousands of Miles of Improvement Arranged and More Will Surely Follow.

From the passage of the federal aid road act to December 15, 1918, 755 projects were approved by the secretary of agriculture. These projects involve the improvement of 7,867 miles of public roads at a total estimated cost of \$57,632,000, of which the federal government has been requested to contribute \$21,602,000. There have been actually completed to date twelve projects, involving a total of fifty-one miles of road, costing approximately \$617,548, and on which federal aid in the amount of \$260,600.19 was paid.
 Altogether there are more than 7,500 miles of road, for which most of the steps preliminary to construction have been taken so far as the bureau of public roads is concerned. Numerous other projects not yet reported to the department have been completed or are under construction, so that the sum total of the road work now in progress under federal aid is greater than appears in this summary.

From Florida to Maine, through the North to the Pacific coast and down to Mexico road building work is going on. Every state has accepted its contribution from the government, and while no organized effort has been made along these lines to the present time, the states are working gradually to the system of national highways.
 Coupled with plans already outlined for expenditures on the roads is the legislative program now before congress, which provides for \$500,000,000 to be expended over a period of seven years by federal aid. It is estimated that in the event of the passage of this bill, which would

Well-Drained Road.
 make available immediately \$75,000,000 for use in federal aid, it would be possible for the government and the states to build 34,000 miles of highways this year if labor could be obtained.

VALUE OF POULTRY MANURE
 Increased Supply of Fresh Vegetables May Be Obtained By Applying to Garden Soil.

The droppings from fowls, if carefully saved and applied to the garden soil, will increase the supply of fresh vegetables. Poultry manure is rich in nitrogen and is well worth the effort it requires to save and apply. The droppings from an average farm flock will amount to considerable fertility during the year.

AUTO TAXES TO GO TO ROADS
 Committee Appointed in Alabama to Request License Fees Be Applied to Highways.

The Birmingham (Ala.) Automobile club has appointed a legislative committee which is to appear before the state legislature with the request that all automobile license fees and taxes be applied on the cost of improved roads in the state. The funds thus diverted would amount to \$1,500,000 annually.

Slow in Road Building.
 With all her development, America has always been slow in the matter of road building.

Phosphorus Needed.
 It is now generally agreed by experiment station professors and practical farmers in our eastern states that the greatest fertilizer needed by our soils is phosphorus, and that the best method of supplying it is in the form of acid phosphate.

Great Need of Farmer.
 If there is any one thing that the farmer needs more than another, it is good highways. Every other business is on the line of progress, so why not the road business?

COMB SAGE TEA IN HAIR TO DARKEN IT
 It's Grandmother's Recipe to keep her Locks Dark, Glossy, Beautiful.

The old-time mixture of Sage Tea and Sulphur for darkening gray streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

Just it.
 "We are going to have pretty girls and oyster pie at our church supper tonight."
 "I'll go. I have a consuming passion for both."

Calomel Loses You a Day's Work!
Take Dodson's Liver Tone Instead

Read my guarantee! If bilious, constipated or head-achy you need not take nasty, sickening, dangerous calomel to get straightened up.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.
 "Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much, but if it fails to give easy relief in every case of liver sluggishness and constipation, you have only

to ask for your money back.
 Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.—Adv.

HOW TO PREVENT APPENDICITIS

Appendicitis is primarily due to the poisons formed by decaying food in the bowels. It is a disease caused by improper and inefficient bowel elimination. Many people have only a small passage in the center of the bowels while the sides are clogged with old, stale, fermenting matter. They may have a bowel movement every day but it is not a complete movement and the old stale matter stays in the system to ferment and cause trouble. Besides appendicitis such unclean bowels cause headaches, stomach trouble and 90 per cent of all other sickness. The old foul matter sticking to the sides of the bowels often stays in for months, poisoning the body and causing that listless, tired feeling known as "auto intoxication."

HOW TO CLEAN BOWELS QUICK.
 The MOST COMPLETE bowel cleanser known is a mixture of buckthorn bark, glycerine and ten other ingredients, put up in ready prepared form under the trade name of Adler-i-ka. This mixture is so powerful a bowel cleanser that it ALWAYS does its work properly and thoroughly. It removes foul and poisonous matter which other cathartic or laxative mixtures are unable to dislodge. It does a COMPLETE job and it works QUICKLY and without the least discomfort or trouble. It is so gentle that one forgets he has taken it until the THOROUGH evacuation starts. It is astonishing the great amount of foul, poisonous matter a SINGLE SPOONFUL of Adler-i-ka draws from the alimentary canal—matter you would never have thought was in your system. Try it right after your body washed, because the millions of pores in the thirty-feet of bowels quickly absorb poisons generated by decaying food left carelessly in the bowels. Don't allow the old, fermenting, filthy stuff to stay in your bowels for weeks, but GET IT OUT and keep it out. Remember, filthy bowels are the cause of most sickness—no stomach, liver or any other organ can do its work with a foul cesspool sending

out gases and poisons. Even if your bowels move slightly each day, that is not enough. There must be an occasional THOROUGH, complete cleansing to rid your system of all accumulated, decaying matter.

HOW TO AVOID TROUBLE.
 The way to avoid sickness and to keep feeling full of ambition is to watch your bowels. Just as you keep the outside of your body clean, you should also KEEP THE INSIDE CLEAN. It is even more important to keep the bowels clean than it is to keep your body washed, because the millions of pores in the thirty-feet of bowels quickly absorb poisons generated by decaying food left carelessly in the bowels. Don't allow the old, fermenting, filthy stuff to stay in your bowels for weeks, but GET IT OUT and keep it out. Remember, filthy bowels are the cause of most sickness—no stomach, liver or any other organ can do its work with a foul cesspool sending

surprise to people who have used only ordinary bowel and stomach medicines and the various oils and waters.
REPORTS FROM PHYSICIANS.
 Dr. James Weaver, Loa, Utah: "I have found nothing in my 50 years' practice to excel Adler-i-ka."
 Dr. W. A. Line, West Baden, Ind.: "I use Adler-i-ka in my practice and have found nothing to excel it."
 Dr. F. M. Prettyman, Mallard, Minn.: "I use Adler-i-ka in all bowel cases and have been very successful with it. Some cases require only one dose."
 Druggist D. Hawks, Goshen, Ind.: "One of our leading doctors has used Adler-i-ka in cases of stomach trouble with wonderful success. He has not lost a patient and saved many operations."
 J. E. Pickett, Gilham, Ark.: "I had bad stomach trouble. After taking Adler-i-ka I feel better than for 20 years. Haven't language to express the awful imperities which were eliminated from my system."
 Cora E. Noblett, Sageeyah, Okla.: "Thanks to Adler-i-ka I can sleep all night now, something I could not do for years."
 Mrs. L. A. Austin, Ausland, Minn.: "I could not eat a thing, my stomach was so weak. Adler-i-ka made me feel better and am now able to work and gain weight."
 Adler-i-ka sold by leading druggists in each city. Large bottle sent express paid for \$1.25. Interesting book about appendicitis free. Adler-i-ka Co., Dept. A, St. Paul, Minn.
