There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 73c. Hall's Family Pills are the best.

Her Definition.

Asked what a nephew was, Molly replied, "It's when your niece is a boy."

British Royal Succession.

In Great Britain the royal succession is in the direct line of descent, males and the descendants of males being preferred to females or their descendants of the same degree of consanguinity. It would have made no difference, therefore, if the Empress Frederick of Germany, who is the eldest of the children of the late Queen Victoria, had remained unmarried; the oldest male child of the queen, who was the Prince of Wales, and the issue of his body would nevertheless have been the heirs to the throne. The older daughter of Queen Victoria could have succeeded only if all of her brothers had died before their mother and without leaving any descendants. The German constitution makes the rank and powers of the Kaiser hereditary in the royal house of Prussia. The rule of succession in Prussia not only prefers males (as does that of Great Britain), but excludes females altogether.

Journey of a Ticket.

A recent number of the Railway Journal contains a well-authenticated story of a railway ticket which took a sudden journey on its own account.

As a northbound train on the Colorado & Southern road passed one of the stations a passenger in a forward car raised a window and in an instant his ticket was blown from his hands out of doors.

The passenger naturally gave it up for lost, and was very much surprised when the baggagemaster handed it to him a little while later.

It appears that when the ticket flew through the window a southbound train was passing. The suction of that train, which was moving at a rapid rate, drew the ticket along with it, and as it passed the rear end of the northbound train it blew into the door of the smoking car. There it was found by the baggagemaster.

WONDERFUL CURE OF PSORIASIS. As a sufferer for thirty years from the worst form of Psoriasis, finally cured by Cuticura Soap and Cuticura Ointment, I wish to tell you my experience, that others may benefit by it. I was so grievously afflicted that the matter that exuded from my pores after the scales had peeled off, would cause my underclothing to actually gum to my body. After remaining in one position, sitting or lying down, for an hour or two, the flesh on my elbows and knees would split, so thick and hard would the crusty scales become. The humiliation I experienced, to say nothing of physical agony, was something frightful. The detached scales would fairly rain from my coat sleeves. I have read none of your testimonials that appear to represent a case so bad as mine. But as to the cure. I commenced bathing in hot Cuticura Soap suds night and morning, applied the Cuticura Ointment, and then wrapped myself in a sheet. In two weeks my skin was almost blood red in color, but smooth and without scales. Patches of natural colored skin began to appear, and in less than a month I was cured. I am now passed forty years of age and have skin as soft and smooth as a baby's. Hoping that others may benefit by my experience, and regretting that sensitiveness forbids me from disclosing my name, I am yours gratefully, J. H. M., Boston, Mass., Sept. 30, 1900.
