If you want to get good service from a telegraph operator at a depot, just crowd into it and make a racket when several trains are in or moving. The more noise you make, the better he can think, see. Some time, perhaps, aided by your racket, he will think wrong, and then there will be a wreck and lives lost. When you go to a depot, be quiet and behave yourself.

How do you expect to spend Christmas? In a sane and safe manner, or in filling your intestines with the devil's brew. You have your choice, and you will pay for your fun, but in our opinion the cost for the latter will far exceed the former.

Read that article on the benefits accruing to young people from a high school education, and then go and urge your nearest "Squire" to vote for a High School in Marion county at the January term.

Before prohibition came in whiskey was gotten in gallon and two-gallon jugs, now it is a quart or two quarts. Big difference, isn't it?

It is very popular now to meet the evening train. It carries 'Noogy' refreshments, you know, and it would n't do to miss that.

The Handle Works will be in shape for operation about New Years. That will be a good beginning for 1910.

Wouldn't it be nice to have about 200 students located in that Hotel Building about next September?

Let us hope the Christmas drunk will be conspicuous by his absence.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly clinging to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
