In this cause it appears by affidavit that the defendant, C. M. Russell, is justly indebted to the plaintiffs, and that the said C. M. M. Russell to appear before me, at my office in Union City,
on the 2nd day of July, 1909,
and make defense to said suit, or it will be proceeded with ex parte.
This, the 25th of May, 1909.

ALL WRONG.
The Mistake Is Made by Union City Citizens.

Don't mistake the cause of backache. To be cured one must know the cause. It is wrong to imagine relief is cure. Backache is kidney ache.

You must cure the kidneys. A Union City resident tells you how. Mrs. E. E. Givens, 111 Fourth street, Union City, Tenn., says: "I suffered almost constantly some years ago from a dull aching across my back and kidneys. I also had frequent headaches and a feeling of languor and weakness. Mr. Givens advised me to try Doan's Kidney Pills and I did so, with the result that I was cured. I have often endorsed Doan's Kidney Pills and will continue to do so."

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Rev. Fields, of the M. E. Church South, gave a very interesting lecture on China at the Methodist Church in Troy last Sunday night. Mr. Fields is a lecturer of no mean ability, and his talk was made more interesting in that he illustrated it by views of China and Japan. Rev. Fields travels in the interest of the Foreign Mission Field, and it is to be hoped that he may arouse some interest in that work here.

The Obion County Branch of the American Bible Society held its regular annual meeting in the Associate Reformed Presbyterian Church last Sunday, Rev. T. P. Pressly presiding. After the regular business, Rev. H. C. Wheeler was elected president and James W. Pressly secretary for the ensuing year. Rev. Pressly then gave a fine sermon on the Bible and its interest to mankind. A special collection was taken, as an effort is being made by the society to raise \$500,000 by the first of December, a like amount being given to the Society by Mrs. Russell Sage, if this sum can be raised by the Society.

In the next few weeks the contractors will begin the construction of the new Associate Reformed Presbyterian Church. It will be erected on the site of the old J. S. Moffatt store, on the corner just across from the hotel. The building will be of brick, with trim-

ings of concrete and stone, and will be one of the prettiest buildings of worship in Obion County. This work speaks well for the members of the church and the committee in charge. A greater part of the funds having been raised among the membership of the church, and as a new building is sadly in need, it will be the awakening of a new interest in this branch of the church in Troy.
