Lee Norrid has the sympathy of the entire community in the loss of his store by fire last Thursday night. Early Friday morning hundreds of people had gathered on the grounds and watched the bloodhounds trail to the home of a competitor.

Mrs. Nell Adams happened to a very painful accident recently, stepping on a nail in a plank that some of the workmen had carelessly let fall from the new building. The nail left an ugly wound and this closed up before healing inside. Dr. Prather was called to lance it and she is doing nicely now.

## RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.
