One by one the players sign,
Same old crew.
Said they wouldn't get in line,
But they do.
One by one they come across,
Cease to stall,
And forthwith prepare to toss
Gilt-edged ball.

Means Family Comfort

when the boiling pot of Postum sings its song of health and satisfaction on the kitchen stove.

THE ORIGINAL

POSTUM CEREAL

led the way to comfort for many a family of coffee drinkers, for with the coming of Postum, away went the headaches, nervousness, sleeplessness and irritability that so often follow the use of coffee.

You can still buy that original Postum from your grocer—an invigorating drink of rare, delicious flavor—a beverage that is really part of the meal, not merely something to drink.

"There's a Reason"

Two sizes, usually sold at 15c and 25c.

HOW TO AVOID BACKACHE AND NERVOUSNESS

Told by Mrs. Lynch From Own Experience.

Providence, R. I.—"I was all run down in health, was nervous, had headaches, my back ached all the time. I was tired and had no ambition for anything. I had taken a number of medicines which did me no good. One day I read about Lydia E. Pinkham's Vegetable Compound and what it had done for women, so I tried it. My nervousness and backache and headaches disappeared. I gained in weight and feel fine, so I can honestly recommend Lydia E. Pinkham's Vegetable Compound to any woman who is suffering as I was."—Mrs. ADELINE B. LYNCH, 100 Plain St., Providence, R. I.

Backache and nervousness are symptoms or nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment. Women in this condition should not continue to drag along without help, but profit by Mrs. Lynch's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

War-Time Philosophy.

Of two things one is certain: Either you're mobilized or you're not mobilized.

How the kaiser got his Waterloo: When Marshal Foch and Admiral Weymss, the masters, played with skilled touch on the keys of a mighty organ from the North Sea to the Meuse; and a final harmony, the American Army remained true.

Now we must look out for the next war for it will begin in 1926. It will begin with Turkey.

If you're not mobilized there is no need to worry; if you are mobilized, of two things one is certain: Either you are behind the lines or you're at the front.

If you're behind the lines there is no need to worry; if you're at the front, of two things one is certain: Either you're resting in a safe place or you're exposed to danger.

If you're resting in a safe place there is no need to worry; if you're exposed to danger, of two things one is certain: Either you're wounded seriously, or you're wounded slightly.

If you're wounded slightly there is no need to worry; if you're wounded seriously, of two things one is certain: Either you recover or you die.

If you recover there is no need to worry; if you die you can't worry.

Incidentally, of two things one is certain: Either you give me that good old Favorite Hat or Suit to be

cleaned and pressed to look like new or you do not.

If you do there is no need to worry for it will be done well.
