TAKE GUDE'S PEPTO-MANGAN

It Is the Safe and Reliable Tonic Used by Physicians for 30 Years.

There are "new styles" even in medicines. A new "fad" comes, is popular for a while, and then fades out of public view. A remedy that has stood the test for thirty years must have remarkable merit and cannot be called a "fad." Such is Gude's Pepto-Mangan, originated by Dr. A. Gude over a quarter of a century ago, which has helped many thousands of people back to good health by improving the blood. Pepto-Mangan is an iron tonic. It contains iron in a special form easily absorbed by the system. It puts color into the lips and cheeks and improves the entire body by improving and enriching the blood. It is sold by druggists in both liquid and tablet form. If you want to be well and strong and look fine and healthy, take Gude's Pepto-Mangan. Advertisement.

Mr. and Mrs. O. S. Dalton enjoyed a few days visit this week to relatives and friends at Rector, Ark.

Mr. Willie W. Sterling and Miss Lewis E. Cannon, of this city, were united in marriage at the parsonage Thursday, the 6th inst., at 7:30 o'clock, Rev. E. M. Mathis officiating.

—Card of Thanks.

We wish to thank our friends and neighbors for their many acts of kindness shown us during the illness and death of our dear daughter and sister. Words can not express our appreciation. May God's richest blessings be upon you.—Mr. and Mrs. N. B. Fluty and Family.

Welcome to the Methodist Church.

One year ago next Sunday there were present in our Sunday school 396 and it was in every way a very fine day. We feel that no one there regretted having come. Now let us show our appreciation for the many blessings which have been bestowed on us during the year and be in our places at nine-forty next Sunday morning. We should have five hundred present. Will YOU be one of that number? We should come, not simply because it is Easter, but because of the good influence it would have upon others. Our church congregations have been splendid, but we have room for many more, so we hope that you can arrange to be with

us in the service. At the conclusion of the morning service it is our purpose to open the doors of the church and we sincerely hope that every christian of a Methodist faith who has not united with the church will be on hand and become one of us. If your letter is in your trunk why not bring it out and get into active service? We need you, and you need us; we need each other.

The Sunday evening service which meets at 7:30 o'clock will be altogether in the hands of the choir. To this you have a cordial invitation to be present for the rendition of the Easter cantata by our choir with the assistance of members from the other choirs of the town. If you are a

lover of music and song we feel that you will be abundantly paid for the time spent with us. There will be no sermon. Our doors are open, our hearts are warm and your welcome is awaiting you. This being the anniversary of our risen Christ, may we arise to walk in a newer and fuller life.

Operetta.

The operetta, "On a Midsummer's Day," will be presented by the pupils of the lower grades of Central School at the High School auditorium Friday night, April 21, at 8 o'clock. See the frolic of the fairy folk and the personification of nature on a midsummer's day.
