

**The Key to Success Is Work—
There Is no Substitute for It!**

In order to do your best work, you must be healthy. You must sleep soundly at night, your nerves must be strong, steady and under perfect control.

If you are accustomed to drinking tea or coffee with your meals or between meals, you may be loading yourself with a very great handicap. Your nervous system may be stimulated beyond what is natural for you.

For tea and coffee contain their caffeine. These are drugs as any doctor can tell you. They are known to irritate the nervous system by their action and to cause restlessness and insomnia, which prevent the proper recuperation of the vital forces.

If you want to be at your best, capable of doing the very best work that lies in you, why not stop drinking tea and coffee? Drink Postum, the rich, satisfying beverage made from scientifically roasted cereals.

Postum contains absolutely no drugs of any kind, but in flavor tastes much like rich coffee. It helps nerve and brain structure by letting you get sound restful sleep.

Postum comes in two forms: Instant Postum (in tin) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

Ask your grocer for Postum. Sold everywhere.

FRIDAY, NOVEMBER 25, 1921.

Death of F. B. Taylor.

Frank B. Taylor, a veteran of the Civil War, died at his home in Troy Monday morning, November 21, 1921, at 10 o'clock a.m.

Mr. Taylor had been in feeble health for two years or more, but he was able to be about and mix with his friends. Monday morning he came up town and fell from the exertion of his walk. He was picked up and taken home in a car. He was able to enter the house, but collapsed and expired in a few minutes.

Frank B. Taylor was a life-long resident of the county. At the outbreak of the Civil War he volunteered with the Obion Avalanche and served bravely and gallantly through the war, never being absent from skirmish or battle. Mr. Taylor was married first to Miss Serenie Maupin. There were six children, five of whom survive as follows: Robert, Luke, John, Miss Emma and Mrs. Etta Lasley, wife of C. C. Lasley. He was 80 years, 2 months and 27 days old.

Mr. Taylor was a member of the Methodist Church and Mason of long standing. He joined the church in 1897 and the Masons in 1865. His second wife was Mrs. Lavenia Hood, who died six years ago, leaving Mr. Taylor with his daughter, Miss Emma, with whom he lived until his death.

Frank Taylor was elected and served as Sheriff of Obion County and made, as he did a citizen and a man of honor and integrity, one of the best officers the county ever had. He was true and faithful to every duty and every friend. His business and personal associations were of the highest type. He was a man whom everybody esteemed, and the passing of such a citizen leaves its impress and influence which will continue for years after he is gone.

Peace to his memory.
The remains were interred at Troy, with services at the M. E. Church, conducted by Revs. G. T. Sellers and T. P. Presely, his comrades Messrs. Tom Inman, Wm. Cavanaugh and Dr. McRee paying tribute to the good man.

Death of W. P. Pearson.

The many friends of the well known locomotive engineer, Wilson P. Pearson, were pained last week when the news of his death came from Hollow Rock Junction, where he was accidentally killed Saturday morning, the 19th inst.

Mr. Pearson had charge of a switch engine in the yards. He came down Saturday morning to go to work and left his engine to get a wrench. Returning he stepped out of the way of the train coming west right in the way of the engine backing into the roundhouse. He was crushed beneath the tender, death resulting instantaneously.

Mr. Pearson was born in Marshall County, Tenn., 59 years ago. He came to Obion when a young man and located in Number Six. He was married in 1889 to Miss Mollie Jones, and a son, Ira B., is the only child of the union.

Mr. Pearson began his railroad work in Union City twenty-six years ago in the switch yards. From here he was transferred to Martin, and then to Hollow Rock Junction.

Mr. Pearson was a member of the Cumberland Presbyterian Church and of the Brotherhood of Locomotive Engineers. He was a man of quiet bearing, very efficient and faithful in the discharge of duty, and esteemed as a good citizen and a good neighbor.

The remains were carried to Huntingdon Sunday morning to prepare for burial and Sunday afternoon on a special, accompanied by family and friends, they were brought to Union City and carried to East View for interment.

Six of Mr. Pearson's brotherhood members were the active pall bearers. Others of the railroad orders came with the family.

The remains were interred with services by Rev. W. B. Cunningham.

Mr. Pearson is survived by his wife and son.

Death of Pettus Ruffin.

News from Osteen, N. C., was received Wednesday of the death of Mr. Pettus Ruffin, who has been there in the hospital for several months. The young man is the son of Mr. and Mrs. J. L. Ruffin, about twenty years of age. The remains were shipped to Union City and the funeral will take place to-day. The kindest condolences are extended to the parents and relatives.

Ruby Molene Edwards.

Ruby Molene Edwards, the little daughter of Mr. and Mrs. Geo. Edwards, was born Jan. 14, 1917; departed this life Nov. 15, 1921, aged four years, ten months and one day. Little Ruby was sick or pneumonia only a few days. She leaves behind a heart-broken mother and father and a host of relatives to mourn her death.

Tenderly they laid her away to await the coming of the Saviour when the family will be reunited. How they love her; how they will miss her. But the Saviour's love is far more blessed. He bade her come to his arms, he who said "Suffer little children to come unto me, and forbid them not, for of such is the kingdom of Heaven."

"A place is vacant in our home, Which never can be filled; God in his wisdom has recalled The boon his love has given."

Tho the little body slumbers here, The soul is safe in Heaven.

Weep not. Be comforted in the thought that your baby is with the angels, safe in heaven.

Prepare yourselves to meet her where no more sad goodbyes are said.

The little body was laid to rest in Antioch Cemetery to await the resurrection morn.—Written by an aunt.

Kills Self by Accident.

Hickman, Ky., Nov. 19.—Newt Cole, well known here, accidentally shot himself through the stomach to-day as he drew his shotgun from the buggy, dying four minutes later. He resided several miles south of Hickman and was returning from hunting. The accident occurred near his home. His sister, Mrs. Charlie Rinehart, of West Hickman, was seriously ill and her condition is such that news has not been broken to her. She will not be told until she is better. Roy Cole, a brother, also resides here. Cole was about 23 years old and unmarried.

FARMERS, ATTENTION.

We are needing more live stock every week. Whether you have one animal or a car load, see us or call us up, we can use them at prices that will be interesting to you.

Help the little packers grow to be "big folks." May be we can soon double what we are now using. We are paying out the cash for live stock at the rate of nearly a thousand dollars every day. My, how good that sounds to the farmers.

There is such a wide range between corn and hog prices that it would pay you greater profits in hog feeding than at any time for the past twenty-five years.
