## The Harrison Dry Goods Co.,

WHOLESALE AND RETAIL.

It is estimated that there are 1,300,000 Irish people in Australia.

The number of abstainers in Great Britain is estimated at 7,000,000.

It is estimated that there are 800,000 bicycles in the State of New Jersey.

The production of gold in the United States last year was \$53,000,000, and of silver \$57,000,000.

Bangkok, the capital of Siam, is a floating city, containing 70,000 houses, each of which floats on a raft of bamboo.

In Corfu sheets of paper pass for money; one sheet buys one quart of rice, or twenty sheets a piece of hemp cloth.

In round numbers the total national debt of the United States now is \$996,000,000, less than the available cash in the treasury.

The old Washington Hall in Durham, England, which is supposed by some to have been the seat of George Washington's ancestors, has been bought by an American for only \$2000.

A woman living near Noble, Okla., found a nugget of gold in the gizzard of a chicken she was cleaning a few days ago, and now every man, woman and child in that part of the country is out looking for gold.

The total tobacco product of the United States last year was 565,795,000 pounds, valued at \$45,000,000. About the same amount was produced in Europe.

The Farmersville Times thinks that when Senator Ingalls says that train robbery is respectable beside the hold-up of the people contained in the sugar schedule of the Dingley tariff bill, he roughly emphasizes the difference between robbery by bold assault and robbery by corrupt and treacherous betrayal.

There are about 900 camps of the United Confederate veterans.

A new moon is very small, but there is always enough of it for two lovers.

—Samples of coal from the Vining mines, near Santa Anna, have been shipped to the Santa Fe and other railway companies to test. Experts claim the output to be equal in quality to any found in the State, while the quantity is inexhaustible.
