HOME CURE FOR ECZEMA.

Does it not seem strange that so many people suffer year in and year out with eczema?

A 25 cent bottle of a simple wash stops the itch and will surely convince any patient.

This wash is compounded of mild and soothing oil of wintergreen mixed with thymol and glycerine, etc., and known as D. D. D. Prescription. We do not know how long the D. D. D. Laboratories will continue the 25c offer, as the remedy is regularly sold only in \$1.00 bottles and has never before been put on the market on any special offers.

If you want relief tonight try a bottle at 25c on our personal recommendation.
