# Introducing the Summer Season

Summer has certainly settled down at El Paso, and to supply immediate summer needs we offer Monday and next week many attractive specials. Particular attention is directed to offerings in ready-to-wear. You are again reminded that it is not our purpose to carry any of our present stock into the new Calisher store, and for that reason much lower prices are being quoted than would be the case were we not confronted with a move within the next few months. Our clearance sale of tailored suits and skirts, which has proven so popular the past week, will be continued the coming week. Note items and reductions below.

## Mail Order Customers

Out-of-town people are asked not only to take advantage of items advertised today, but depend on us at all times to supply everything needed in our line. Filling mail orders promptly and guaranteeing absolute satisfaction is the whole story of our mail order business. Let us hear from you.

NOTE—We prepay the express, or freight, charges on all orders of \$5.00 or more. This excepts staples and extra heavy merchandise.

## Summer Ready-to-Wear
