Bureson Favors Government Ownership of Utilities

Says Telegraph and Telephone Lines Should Be Acquired.

WASHINGTON, D. C., Dec. 18.—A sweeping declaration in favor of the principle of government ownership of telephone and telegraph lines was made by postmaster general Bureson...

operated as a part of the postal service and it is regretted that congress saw fit to relinquish this facility to private enterprise. The monopolistic nature of the telegraph business makes it of vital importance to the people that it be conducted by the government...

Every argument in favor of the government ownership of telegraph lines may be advanced with equal logic and force in favor of the government ownership of telephone lines. It has been competently decided that a telephone message and a telegram are the same thing...

Notable recommendations to congress for the enactment of additional legislation to facilitate and extend the operations of the postal service are made. Among the more important are the following: That the postoffice department be given exclusive jurisdiction over the selection of the sites for public buildings to be used wholly for postoffice purposes...
