BAVICORA HANDICAP WON EASILY BY MEADOW

Establishes Track Record For Season in Mile and Eighth Event.

Meadow won the Bavicora handicap Sunday over the mile and one-eighth route. Getting away from the barrier third, the McLemore mare laid back to allow Harrigan to force the pace during the early part of the race. Harrigan was leading until the stretch was reached, when Meadow caught him tiring and ran away with the race at the finish. The distance was covered in 1:51 3-5, a record for the Juarez track this season and 3-5 of a second of the world's record. Jacquelina was all but left at the post by starter Cassidy and was cheated of all chance to show in front at the finish. With a good start this entry might have made it interesting for Meadow, as there was a world of speed there Sunday.

Close Finish in First.

Thistle Rose was making it so interesting for Yvonne, the winner in the first race, that another stride would have shifted the positions of the two leading youngsters. Yvonne was coming fast at the end, but was just barely able to get away with the race ahead of Thistle Rose. Charles Goetz was running strong until the finish, when he quit. Lista won her race, the second, at the barrier, for she broke in front and made every post a winning one, beating Siscus out at the finish by a length. Siscus was slow moving at the start, but when he got going was easily the best of the rest and had no difficulty in beating the field. Nyanza came from behind and was in third place at the finish. Little Marchmont was nicely ridden in the third race and won a consistent race from the field of 4yearolds. McGee held Little Marchmont in lash until ready to make the move and then shook up the winner for a nice finish ahead of the field. Dennis Stafford was in good position all the way and had no excuses for losing the race. Rather Royal was not quite good enough.

Fifth a Jockey's Race.

The race in the fifth was between jockeys Rice and Lowe, with Rice getting away with the goods at the finish. Rice put his mount, Pit-a-Pat, in good position for the move, and held him there until ready. Lowe shook Fritz Emmett up and tried to beat Rice to it, but was not quite good enough and had to be content with second. The Cat was third. Chapultepec disposed of Pid Hart in the first part of the last race and then galloped him ahead of the rest. Hoyle came with a rush and was in second place at the finish.

The Summaries.

HUNDRED TO ONE SHOT FOOLS THEM

Rothchild Makes First Winning of Season in Long Odd Class.

The first 100 to 1 shot to win at the Juarez track was Charles Rothchild better known in El Paso as Texas Kinx, a high school horse who has given a number of exhibitions in the city and state. He opened at 60 to 1 and closed at 100 to 1 with few takers at these odds. He got away last and was running behind until the stretch where he cut down the lead to fifth place and then shot down the stretch a winner by a length under the skilful piloting of jockey McCullough. The race as run by this big horse was a surprise to everyone and no one had any confidence in the horse's ability to win. There was less than $20 laid on him to win and no big killings were made.

Upright Wins Puebla Stakes.

Upright won the Puebla stakes from a high class field. Away in front he allowed the others to race him down until the stretch when he showed a remarkable burst of speed and came on to win from the rest in big time. Closer broke slowly and was making up ground all the way. The race was between these two horses with Closer hurrying things at the last. John Robert was running in form at the finish, but too late to get better than third.

Balella was in command all the way in the first race, a selling race for grownups. Canapa furnished whatever pace was set in this case and was running gamely at the end, but not strong enough to finish first. Antigo was set out in front at the outset of the third race and was never headed. Biskra was running a good race for first out and had no difficulty in beating the others to the place position. Thurbet ran a good race and was finishing with a rush but too late. Joe Woods ran fourth in his usual style. Sona started out to make her getaway in the fifth race and was never headed until the stand was passed. Denny gave her a good ride and she had little real difficulty in beating the field Saturday.

Roberta Takes Mile Classic.

Roberta took the mile classic. She ran her race out in front and was barely able to stick it out to the finish. Short Order would have been a strong contender had he not been forced to take up on the back stretch. But he came through on the rail and was running strong in second. Barney Oldfield's speed clutch went wrong at the finish and he faltered in the final furlong, losing any chances he had to win.

The Summaries.

INSTITUTE AND THE COLLEGE BOYS LOSE

High School and Y. M. C. A. Win Snappy Basketball Games.

Fast, hard play marked the two basketball games at the Y. M. C. A. gym Saturday night, in which the High school played the Military institute and the Y. M. C. A. met the team from the New Mexico A. and M. college.

The first game, which was between the High school and the Military institute, was resplendent in fast and snappy play throughout, both teams giving a good account of themselves. The Military institute showed much better form than was expected and the score of 25 to 12 in the High school favor is far from giving them their due.

The first half ended with the score 13 to 8 in the High school favor, and in the second half the institute team seemed to tire and could only run four to their opponents' 12 points. The game was unusually free from fouling and in every way proved to be interesting.

The lineup:

High school—Chenewoth, Hoover, Shea, Thomas, Lyman, Grady, Ross.

Military institute—Snyder, Baldwin, Jones, Hilburn, Kenean, Jenkins.

Goals—E. P. H. S., Hoover, 4; Lyman, 4; Shea, 3; Chenewoth, 1. E. P. M. I., Snyder, 5; Baldwin, 2; Jones, 1.

Y. M. C. A. Team Wins.

The Y. M. C. A. defeated the A. and M. college team in the second game of the evening by the decisive score of 37 to 16. Up until the second half both teams seemed to be evenly matched, the score at the end of the first half being 20 to 14 in the Y's favor. In the remainder of the game the Farmers were only able to annex two points, while the local team ran a total of 17. This was the first game the Y has had with an out of town team and from the game they put up Saturday night the federation championship looks easy for them.

The lineups:

Y. M. C. A.—Block, Miller, Peralta, Garwood, Rumsey, Kindig, Pickens.

A. and M. college—Haggert, Hall, Smith, Balain, Mayer, Boa.

Goals—Y. M. C. A., Kindig, 5; Peralta, 5; Block, 4; Garwood, 4. A. and M., Haggert, 5; Hall, 2.

The Grammar School league had three games and the challenge game at the gym Saturday afternoon. The games were all one sided, as the league leaders were playing the tailenders, and the latter seemed to be way off from form. The results of the games were: Lamar seconds beat the Sunsets, 7 to 4; San Jacinto beat the Aoy team, 9 to 4, and Lamar firsts ran 26 points to the Beall school's 3. In the challenge game the Mesa school beat Lamar seconds by the score of 56 to 11.

HUGHEY JENNINGS, GREAT SPORT, IS IN TOWN

Famous Manager of Famous Detroit Tigers Is on His Honeymoon.

"Ee-yah! Ee-yah!"

Hughey Jennings, the best known figure in baseball today, is at the Sheldon. Not that he might be known by this grass pulling yell of his. To see him in the hotel lobby dressed in a blue suit, a stiff hat and a modest tie, he would be taken for a hardware salesman from St. Louis. But it is the real Hughey, the leader of the Tigers and the pet of a million or more fans.

Jennings is on his honeymoon. He is happy enough to cut loose on his famous war cry if there was only a bit

HUGH JENNINGS, DETROIT MGR.

of grass to pull and a pair of baseball shoes on his feet. Instead he just smiles across that tanned face, his Irish blue eyes twinkle and the sun wrinkles his face with good humor. He was married to the belle of Scranton, Pa., and is touring the south on his bridal trip. He arrived Saturday afternoon from St. Louis, accompanied by his bride, and they have been in El Paso seeing the sights of the new city and the old.

Sunday afternoon they attended the bull fight and the manager of the Tigers had some interesting observations to make on the socalled sport of Mexico as compared to that of the United States. "It is no sport at all. It is a slaughter," Hughey said. "Aside from the skilful work of placing the banderillos there is nothing of exceptional skill or bravery about it. There is no comparison between the bull fight and baseball. They cannot even be classed together."

Bridegroom Jennings forgot himself long enough to talk baseball for five minutes, hand running. Of course he thinks that the Tigers will have a winning team next season. It would not be Jennings if he did not think that. He has rounded up a bunch of new players and they are expected to put the necessary pepper into the Tigers's ranks to help the old players. Trade Ty Cobb for Johnson? Ne-ver! That was a bad dream some dope writer had.

The Tigers will train in Louisiana this spring. El Paso looks good to the big boy, but he never knew its fine climate until he came out this year. San Antonio was all right as a training place, but the city is a bit too big for the boys to get their minds on their spring training work, and Louisiana was selected instead.

Mr. and Mrs. Jennings are planning to go to Bisbee, where Mr. Jennings is interested in the development of some copper properties which are controled by Detroit business men.
