### ANOTHER CRISIS IS THREATENING CUBA

Unrest Breaks Out Anew Following Supreme Court Decision.

Washington, D. C., Feb. 14.—Another crisis in Cuban affairs apparently is at hand. Reports from the island indicated that the unrest temporarily quieted by secretary Knox's recent note of warning is about to break out anew as a result of the Cuban supreme court decision invalidating the law ousting office holders who were Spanish sympathizers during the revolution. Literal execution of the court's decree would involve the reinstatement of a large number of displaced officeholders and dismissal of the so-called veterans who were put in their places. With this in prospect, the leaders of the Veterans' association are said to be in an ugly humor and if they should attempt to resist the decree, serious trouble would ensue.

**ORDERED TO CUT RATES ON IRON AND STEEL TO DENVER.**  
Washington, D. C., Feb. 14.—Trans-continental railroads were ordered by today to reduce their rates from St. Louis

and other Mississippi river transfers to Denver on iron and steel bars from 63 cents to 52 cents a hundred pounds, and on steel plates and sheets and structural steel (not fabricated) from 62 cents to 42 cents a hundred. The existing rates were attacked by the Vulcan Ironworks of Denver.

### MILLER HOMESTEAD CASE UP ON APPEAL MONDAY

The suit of Mrs. Fritz P. Miller, wife of Dr. Miller, against J. H. Neff, et al, for the possession of land on the mesa, will come up for final disposition in the civil court of appeals at San Antonio next week. Dr. Miller will leave Saturday evening for San Antonio to appear as a witness in a damage suit against the G. H. & S. A. railroad and will stay there for the suit which his wife has in the higher court for possession of land which she homesteaded on the El Paso mesa. Judge P. P. Edwards will represent Mrs. Miller at the hearing and will leave Monday for San Antonio.

### ONE BANDIT SHOT; OTHER CAPTURED

Murderers of Silver City Men Caught While Escaping to Mexico.

Silver City, N. M., Feb. 14.—The two bandits who held up the Mogollon livestock company and killed C. A. Freeman and clerk Clark, surrendered about 15 miles from here after a battle lasting three hours, in which one of the bandits was killed. The other, who claims his name is Rodriguez, a mere boy, surrendered and was brought into town by sheriff McGrath last night. He refused to talk. Three thousand dollars in greenbacks were found on the Mexican who was killed. They have been identified as wood cutters and were attempting to escape into Mexico when the capture was made.

## LIABILITY

Has it ever struck you? Perhaps not, but have you considered the chances of your striking the other fellow.

You are driving your car with the constant risk of injuring someone. Why run the risk of having to pay for personal injuries caused by your car? Accidents of this nature happen every day. It may be your turn tomorrow.

You may be a most careful driver but you cannot control the careless pedestrian. No matter whose fault the accident may be the responsibility is usually placed on the owner or driver of the car. The result is always annoying and often the expense amounts to thousands of dollars.

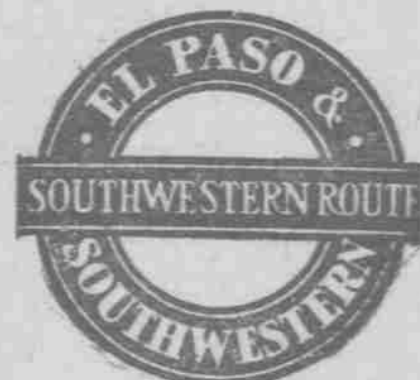

The "Commonwealth" Automobile Liability Policy protects you fully against this hazard at a cost, which compared with what you may have to pay is a mere trifle.

Investigation costs nothing—procrastination may cause you endless trouble and expense.
