HELP THE STOMACH DIGEST YOUR FOOD

When the stomach fails to digest and distribute that which is eaten, the bowels become clogged with a mass of waste and refuse that ferments and generates poisons that are gradually forced into the blood, causing distress and often serious illness.

I USE "TIZ" FOR SORE, TIRED FEET

"TIZ" for puffed-up, aching, sweaty, calloused feet and corns.

Good-bye sore feet, burning feet, swollen feet, aching feet, smelly feet, tired feet, calloused feet, corns, bunions and raw spots. No more shoe tightness, no more limping with pain or dragging your feet in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet—the only remedy that does "TIZ" and wear smaller shoes. All how comfortable your feet will feel. "TIZ" is a delight. "TIZ" is harmless.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Backache or have Bladder Trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels: removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacist; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get fine and bladder troubles disappear. This famous salt is made from the acids of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful after-dinner drink which millions of men and women take now and then thus avoiding serious kidney and bladder diseases.—Adv.

FEEL BILIOUS? CALOMEL SICKENS! CLEAN LIVER AND BOWELS MY WAY

Don't lose a day's work! If Constipated, Sluggish, Headachy, take a spoonful of "Dodson's Liver Tone."

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, causes a very serious condition. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone. Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.—Advertisement.

REMARKABLE CASE of Mrs. HAM

Declares Lydia E. Pinkham's Vegetable Compound Saved Her Life and Sanity.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation, and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind, I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."—Mrs. JOSIE HAM, R. F. D. 1, Box 22, Shamrock, Missouri.
