NEW HAVILAND CHINA

The Valmont Pattern Haviland China

WE have just received an importation from Haviland & Company—a complete stock of their "White and Gold on the Silver Shape" and "Valmont." Also the new "Rose of France," a 1915 pattern.

The "White and Gold on Silver Shape" has the reputation of having more repeat orders and a larger volume of business than any pattern ever made by them.

The "Valmont" is considered the peer of all the colored decorations since its production, three years ago.

The "Rose of France" has been selected by more buyers this season than any of the new patterns shown.

All three of the above are beautiful, all in good taste and all carried in OPEN STOCK. You may buy one piece or one hundred at any time, to meet your requirements.

The safest soap for babies is Resinol

This is so, first because it is one of the few soaps which contain no free alkali—that harsh, drying chemical which so frequently causes eczema, or other skin irritation.

Calomel Today, Sick Tomorrow

Dose of nasty calomel makes you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver.

If you take calomel today you'll be sick and nauseated tomorrow, besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play.
