YACHT RACE CUP WINDMILL RETURNS TO REDS

New York Yacht Club Announces That It Will Not Defend Honors Again.

New York, July 21.—Resolute, which decisively defeated Shamrock IV in the deciding yacht race in defense of the America's Cup yesterday, said it will not run another race, said H. B. Parsons, a member of the race committee of the New York Yacht club today. The defender, which cost thousands of dollars, will be dismantled at the Pierhead yard at Bristol, R. I.

Will Not Celebrate.
There will be no special celebration of the victory by the New York Yacht club. Yesterday, highly praised the handling of the Resolute by Charles Francis Adams, II, in all the races of the cup.

The Resolute's crew of 23 Norwegians, seven Swedes and one Dane will be dismissed at the Pierhead yard at Bristol, R. I., by 11 o'clock.

Sir Thomas Lipton, who led his bitter disappointment in the cup, congratulated the Resolute and her crew, saying that the better boat would win next time. He said that he will issue another challenge in 1922 and will name the challenger Shamrock V, he said.

Shamrock Gets Break.
The big green ship probably will be towed up the Hudson within a few days and anchored, to allow visitors a chance to inspect her.

The Resolute gave the Shamrock the worst drubbing of the regatta Tuesday when it won, beat for boat by 15 minutes, 45 seconds.

Overcoming a 40 second lead and the advantage a windward berth which Shamrock had taken at the start, the defender led a lead of four minutes and eight seconds at the halfway stake, and finished 13 minutes and 45 seconds ahead, including her handicap of six minutes and 40 seconds. Resolute won by 15 minutes and 45 seconds.

In capturing the series, Resolute came from behind after Shamrock had taken two races, and won out by three straight victories.

Went Best Week.
Sir Thomas Lipton, owner of the challenger, would what appeared to be the announcement of a challenge when he declared that "the best boat won."

Nature provided a race setting for the historic finish. The sun—a great fiery ball—was fast dropping through a red and purple haze when Resolute, slipping easily through the green water, with billowy white sails aloft against the haze, bore down on the finish.

A moment later, she flashed across the golden finish line, that the setting sun had laid down on the water between Ambrose channel lights and the committee boat, Barryton.

A mile or more behind her own great sails embelishing, Shamrock IV was coming about for the run to the mark when she saw the signal ball of the Resolute dropped and the cheering craft proclaimed Resolute's victory.

WHY 300,000 BABIES DIE YEARLY IN THE UNITED STATES

Three hundred thousand babies die yearly in the United States—most of them from digestive disorders.

Careless overfeeding, disregard of the first dangerous symptoms, and the little one is soon in distress.

If it gets well it is fortunate. But what of the three hundred thousand? Nature intended that these little ones should live long lives of usefulness and happiness.

And there is no reason why the most of them should not. If we use watchful care to the light of proven knowledge.

For more than thirty years War's Baby Powder has been saving babies.

It is not a soothing syrup, filled with gangueous narcotics. Nor is it a purgative. Purgatives disturb the entire system by their violence and cause the baby pain and discomfort.

It is an antiseptic remedy which cleanses and purifies the little one's stomach and bowels, and brings it back to health.

War's Baby Powder is safe. If the contents are entire better use it in your baby's stomach at once. It will not hurt it.

It is tasteless. When mixed with sweetened water, baby really likes it.

Its effects are pleasant, for its texture is as soft as talcum powder and it cannot irritate the tender stomach.

Read what one grateful mother says about War's Baby Powder:

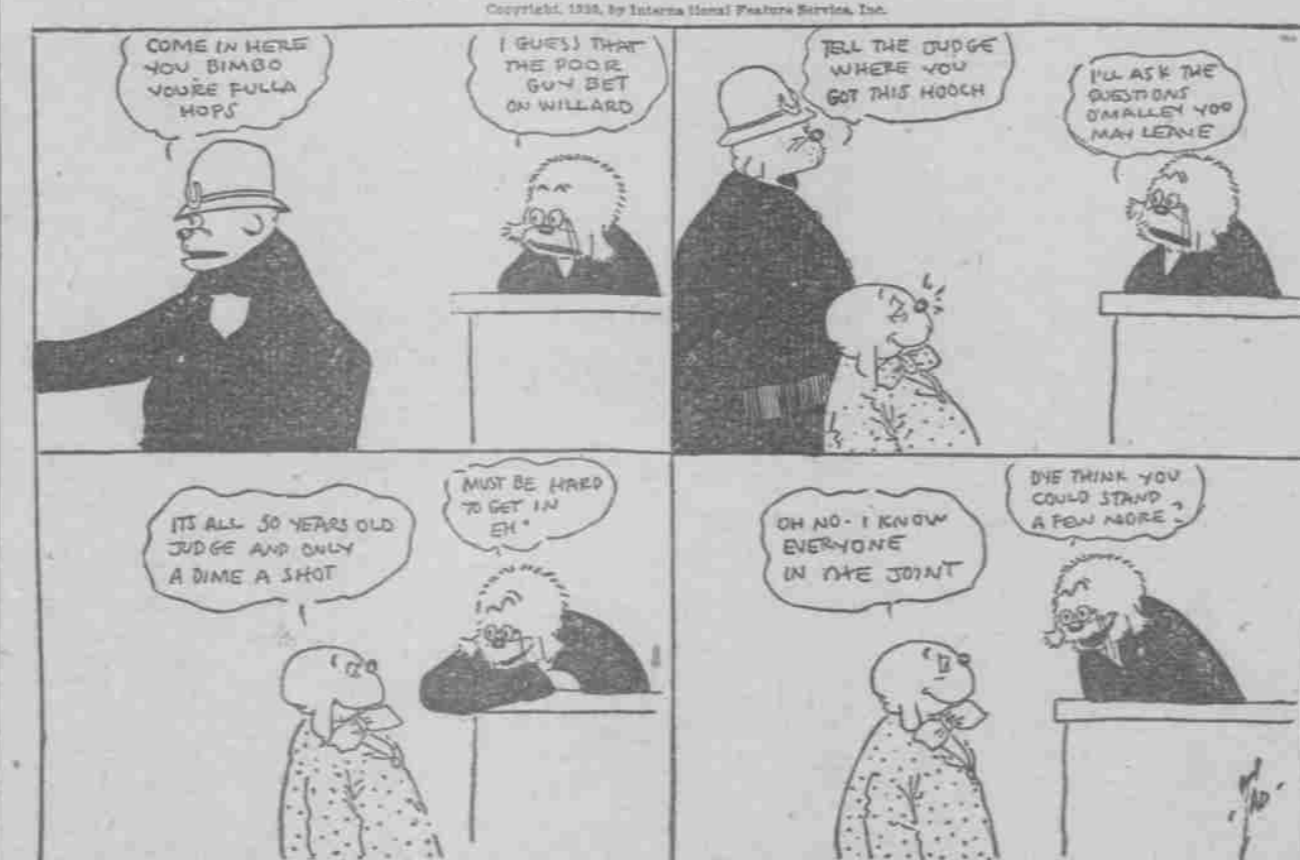

Texts, July 21, '15.
Dear Sir: I have five children and believe if it had not been for War's Baby Powder, four of them would have died. I have used it for fourteen years and found it to be one of the best remedies for bad bowels and disordered stomach.

Mrs. R. G. Ayers.
