NOT SO BAD!

the Republicans, his friends claim his election.

The indications are that Johnson, the Republican candidate for supreme judge, has a majority in Hamilton county of 3000, and that he has run ahead of the other candidates, notwithstanding the opposition of the liquor interest. If this is confirmed it will show that the temperance Democrats scratched their own candidate and voted for him.

FRANK HURD OR JACOB ROMEIS?

TOLEDO, OHIO, Oct. 15.—The result in the Tenth congressional district is still in doubt, both parties claiming the success of their candidate. The doubt hangs upon the majority which Attawa county will give Hurd, and this cannot now be definitely ascertained.

AN INCREASED VOTE.

CINCINNATI, OHIO, Oct. 15.—Returns received from all parts of the state are uniform in showing an increased vote. In many places the increase is very marked. Another feature shown is that the people were more than ordinarily arrayed in two great parties, both the Greenback and Prohibition vote being comparatively insignificant. The vote was as distinctly marked as if a presidential ticket had been before the people. A matter of great surprise is the large vote received by the Republican candidate for judge of the supreme court. There was a general belief that he would fall far below the rest of the ticket owing to the disaffection among the saloon men on account of his opinion on the Scott liquor law. On the contrary it appears that he has been carried with the remainder of the ticket and here in Hamilton county his vote is greater than that for Robinson.

Clark county, it is estimated, gives 2300 Republican majority. Scioto county gives about 700 Republican majority with Judge Johnson leading the ticket. Athens county gives Grosvenor, Republican for congress, 1500 majority.

The town of Bellaire shows a slight Democratic gain. Galeon, Kent, Coshocton, Lancaster, Mansfield and Somerset also show small Democratic gains.

IN CINCINNATI.

The Republicans here are jubilant. Crowds are on the streets and upon the least provocation are shouting and singing. The appearance of Butterworth, the congressman-elect from the First district, near the postoffice, attracted a large crowd. He was lifted up and carried some distance by his enthusiastic supporters and was followed by the cheering crowd until he left the street.

HON. CHARLES M. ANDERSON.

COLUMBUS, OHIO, Oct. 15.—Later reports from the Fourth district show the election of Anderson, Democrat, to congress over Sink, Republican.

THE TENTH DISTRICT.

TOLEDO, OHIO, Oct. 15.—The interest in the election was so great that the vast crowd remained at the political headquarters nearly all night. Early this morning when a Republican victory was assured, the enthusiasm found vent in various ways. Hundreds of men with tin horns joined by others with torches formed in procession and marched through the streets. The whole forenoon has witnessed no abatement of interest, especially in the result of the congressional fight. Hurd claims a majority of 200, while the Republicans claim Romeis' election by 200 to 500. The returns come in slowly and it may take an official count to settle it. Nothing has been heard from the back townships in Attawa county.

THE MAJORITY WILL BE REDUCED.

COLUMBUS, OHIO, Oct. 15.—A prominent Democratic politician reasons as follows about the election:

"The heavy Republican gains have been made in the cities, whereas the Democrats have gained in the country. Thus in Columbus the Republicans gain while the back townships of Franklin county, which we have gained, keep the Democratic majority where it was. This will be found to be the case in the townships of other counties not yet heard from. The Republican majority will be reduced below 10,500.

The Republican leaders do not concede to this, but they are on the lookout for a reduction below the high figure set last night. They talk of improper manipulation, but they say that under the conditions of the campaign and the fact that Ohio had been captured by the Democrats twice in succession, any majority is a triumph.

AN OFFSET.

COLUMBUS, OHIO, Oct. 15.—A dispatch from Toledo says that Frank Hurd concedes the election of Romeis, Republican, to congress in the Tenth district.

A dispatch from Hamilton, Ohio, says that James E. Campbell, Democrat, is elected to congress in the Third district by 418 majority.

ROMEIS ELECTED.

TOLEDO, OHIO, Oct. 15.—It is conceded that Jacob Romeis, the Republican candidate for congress in the Tenth district, is elected by 2000 to 3,000 majority.

JAMES E. CAMPBELL ELECTED.

CINCINNATI, OHIO, Oct. 15.—Unofficial reports from the Third district elect Campbell, Democrat, to congress by 411 majority.

FORTY-THREE COUNTIES.

COLUMBUS, OHIO, Oct. 15.—Forty-three counties show a net Republican gain of 12,628, including Hamilton county, but not Cuyahoga, Franklin and Lucas. Of the forty-five counties to hear from twenty-one gave Republican majorities and twenty-four Democratic majorities for governor in 1883.

Fifty-three counties give a net Republican gain of 19,975.

THE MAJORITY BY COUNTIES.

COLUMBUS, OHIO, Oct. 15.—Unofficial returns have been received from all the counties in Ohio except the five following: Carroll, Geauge, Lorraine, Medina and Trumbull. These counties in 1883 gave Republican majorities aggregating 7,077.

Total, 41,8?8.

Additions to the above majorities of 1883 are the five counties unheard from gives a net Republican plurality of 10,679. The five counties will probably increase the majorities of 1883, so that the plurality will reach 12,000.

THE CONGRESSMEN.

Republican congressmen have been elected in the First, Second, Eighth, Ninth, Tenth, Twelfth, Fourteenth, Eighteenth, Nineteenth and Twentieth districts. Total, 10.

Democratic congressmen have been elected in the Third, Fourth, Fifth, Sixth, Seventh, Thirteenth, Fifteenth, Sixteenth, Seventeenth and Twenty-first districts. Total, 10.

The Eleventh district is still in doubt.

ROBINSON'S MAJORITY

COLUMBUS, OHIO, Oct. 15.—Lorain county gives Robinson for secretary of state 2175 majority. Trumbull county, with two precincts yet to hear from, gives Robinson 3175 majority. This will bring his majority up to 12,000. Medina county gives a Republican majority of 1200.

LUCAS COUNTY RETURNS.

TOLEDO, OHIO, Oct. 15.—The official vote of Lucas county on secretary of state and congressman is as follows: Robinson, 8203; Newman, 7906. Romeis, 8850; Hurd, 7250.

FROM WEST VIRGINIA.

MEAGER RETURNS.

WHEELING, W. VA., Oct. 15.—The returns received are very meager and unsatisfactory.

In Fairmont at noon, out of 503 votes cast 237 had been counted, giving Maxwell 150 and Wilson 87. Complete returns from Pleasant county give Wilson 708 and Maxwell 565.

Incomplete returns from Ohio county indicate the election of the Democratic county ticket by 300 majority.

Hancock county shows a Republican gain of fifty in the state ticket.

In Preston county three precincts which gave Garfield 144 majority, now gives Maxwell 245 majority.

It is estimated that Preston county will give Maxwell 1400 majority. The town of Piedmont gives Maxwell 196, Wilson 229. The town of Cameron gives Maxwell 97, Wilson 112.

KANAWHA COUNTY.

CHARLESTON, W. VA., Oct. 15.—This county will give Maxwell, the Republican candidate for governor, between 300 and 500 majority. He gets the fusion vote. Fayette county is doubtful.

THE DEMOCRATIC STATE TICKET ELECTED.

WHEELING, W. VA., Oct. 15.—The Republican state committee concede the election of the entire Democratic state ticket by 3000 to 4000 majority.

THREE MORE COUNTIES.

WHEELING, W. VA., Oct. 15.—The Marion county Democrats elect their full ticket, except for the legislature and prosecuting attorney, by a majority ranging from 100 to 150.

Taylor county gives Maxwell 337 majority, a Republican gain of 150 and elects the entire Republican county ticket.

In Ohio county with one precinct to hear from Wilson's majority is 288. The entire Democratic county ticket is elected.

THE MAJORITIES BY COUNTIES.

WHEELING, W. VA., Oct. 15.—The following majorities have been reported to the Republican state committee: Lewis county 79 Democratic, a Republican gain of 66; Barbour county 100 Democratic, a Republican gain of 234; Brooke county 64 Democratic, a Republican gain of 36; Pleasants 143 Democratic, a Republican gain of 65; Summers, 299 Democratic, a Republican gain of 200; Greenbrier, 650 Democratic, a Republican gain of 223; Fayette, 175 Democratic; Monroe, 300 Democratic.

KANAWHA COUNTY.

Advices from Charleston, Kanawha county, place Maxwell's majority at 1100. The entire Republican ticket is elected by majorities ranging from 600 to 1200. Six out of nine voting places in Tyler county give Maxwell 236 majority.

BERKELEY COUNTY.

The official vote of Berkeley county gives Flick, Republican for supreme judge, 324, and Brown, Republican for supreme judge, 111 majority. Maxwell carries the county by 53 majority. The Democrats have the sheriff, state's attorney, one member from the house of delegates and one assessor. The Republicans carry one member of the house of delegates, one assessor and one surveyor.

POLITICAL NOTES.

Mr. Blaine made a special appeal to young men at Cincinnati, saying: "Today the strength of the Republican party is in the young men of the country, of whom it possesses a vast majority." "This," remarks the Boston Herald (Ind.), "was formerly the case, but it is not true to-day in this section of the country. One of the most marked features of the revolt against Blaineism about here, however it may be elsewhere, is the fact that the young men are strong in it. The case of Judge Hoar and his son is representative. We happen to know personally of many families where the father still clings to the old party which was the pride of his youth, while the sons, not held to it by tradition or strong prejudice, have recognized its degradation and stepped over to the other side."

Mr. Ranney, the Republican member of congress from the Third Massachusetts district, has put himself in direct antagonism with Blaine's declaration that the preservation of the present high tariff is the great issue in the present canvass. Mr. Ranney has written a letter in which he favors a reduction of the revenue, and says he believes in taking it from the duties on imports and not from the excise tax on liquors and tobacco. He is opposed to increasing the duties on wool, and while he favors discrimination to protect home manufacturers, he refuses to make a sweeping declaration against all that is known as "raw material" in this connection.

The demand for a "distinctly American foreign policy" begins to be made more emphatically by the Blaine orators and papers. Such a demand evidently implies that so far we have not had such a policy, but have systematically let our fair fame and our interests be sacrificed abroad by inaction or weakness. There is a serious charge against Mr. Arthur's administration, to say nothing of Grant's and Hayes', and those who make it ought to bring forward the specifications and neglect which make them sigh for a change.

The country is gradually but surely drifting away from the thongs of party, thanks to free schools, free newspapers, and free discussion, and it is a wholesome sign when presidential electors can face their party, in the heat of the battle, withdraw from the ticket and from the support of the candidate, and party resentment is powerless to assail them. The world moves; the independent voter is master of the situation, and he will commission the next president.

There has been nothing more disgusting in this campaign than the disgraceful exhibition which certain clerical filth-mongers have made of themselves. A minister of the gospel of Christ engaged in hurling stink-pots at his neighbor is a spectacle which is neither edifying nor inspiring.

The Arkansas State Fair.

Special to the Gazette.

FORT SMITH, ARK., Oct. 15.—The state and district fair here was well attended to-day. Curly, the chief of the Pawnee Indians, addressed the crowd through an interpreter. A band of Pawnee braves was in attendance. Miss Collins and Miss Williams, the celebrated women racers, arrived to-day, and will ride a two-mile race to-morrow. The races to-day:

Half mile dash, all ages—Won by Sleepy Frank.

Half mile heats, best two in three—Won by Daisy Dean.

Near Jacksonville, Ala., is an inexhaustible bed of fine white flint gravel which cements itself when exposed to the atmosphere, and which makes a very firm and durable pavement.

Some idea of the extent to which opium-eating has been carried on in this country may be gained from the records of the San Francisco custom-house. When it became known that the duty on the drug was to be raised from $6 to $10 a pound the California dealers brought in several million dollars' worth, and as the supply exceeded the demand it had to be stored away in various banks and warehouses. Recently that which came in under the old rate was nearly exhausted, and the first shipment under the new, consisting of 131 cases, netted the government in the way of duties $65,500.

THE TRIP TO THE METROPOLIS.

NEW YORK, Oct. 15.—Gov. Cleveland left Albany this morning accompanied by Daniel S. Lamont, his private secretary, and Mayor Banks of Albany. It was the express wish of the governor that no demonstration should be made in his honor along the route.

At Poughkeepsie, however, the crowd was so large and enthusiastic that he was induced

TO SHOW HIMSELF TO THE ASSEMBLY,

and for five minutes he shook hands with all who could reach him. At this point Senator and Mrs. Newbold boarded the train. The governor chatted pleasantly with Mr. Newbold until Garrison's was reached. Here Mr. Hamilton got on board the train and entered the car occupied by the governor. They greeted each other cordially and conversed together until the arrival of the tram at the Grand Central depot at about 10 30.

IN THE METROPOLIS

a committee composed of Senator Barnum, chairman of the Democratic national committee, Abram S. Hewitt, Senator Arthur, P. Gorman, of Maryland, ex-Mayor Grace, Senator Gwynne, J. W. James, C. D. Campbell, H B. Lighter, J. B. Coleman, Eugene Kelly and Messrs. Green and Vanderpool met the governor at the depot, and after an exchange of greetings escorted him to a carriage, which he entered in company with Senator Barnum and Col. Lamont.

CHEERED BY THE CROWD.

A large crowd had assembled at the depot and when Gov. Cleveland made his appearance cheers were given him, which continued until the carriages departed. Large numbers of men rushed toward the governor and held out their hands, which he smilingly grasped. Several times after the carriage had started the driver was ordered to stop his horses so that the governor could satisfy the desires of those who wished to shake his hand. The party drove to the Fifth Avenue hotel where the governor alighted and immediately proceeded to his rooms. Quite a crowd had gathered outside of the hotel and gave hearty cheers on the arrival of the Democratic candidate. The rooms of the governor were immediately besieged by politicians and reporters who were anxious to get a word from him or his secretary, but Mr. Cleveland remained in his private room, to which only a select few could gain access.

THE GOVERNOR'S CALLERS.

Up to 2:30 this afternoon Gov. Cleveland was kept busy receiving visitors. Among the large number were a delegation from Columbia college, the Cleveland campaign club committee, Perry Belmont, Col. Silas W. Burt, Gen. Jas. Stevens, S. S. Cox, Rev. Erskine M. White, Bev. S. C. Hastings, ex-Gov. Hoffman, Gov. McLane of Maryland and Gen. H. C. King. The governor lunched with Chairman Barnum, Senators Gorman and Jones, Hon. Jos. Pulitzer and ex-Gov. Hoffman.

Gov. Cleveland continued to receive visitors up to 5 p. m. Juliet Clayton, a little miss of Florida, said that she was glad to meet the next president. Mayor Grace's son of nine years saluted Gov. Cleveland with

"HOW DO YOU DO, MR. PRESIDENT?"

Many local politicians called. Col. Page, Franklin Pierce's secretary, introduced his wife and daughter. A delegation from the produce, stock, cotton, petroleum, mining, grocers' and dry goods' exchange invited Gov. Cleveland to be present at a business men's meeting this morning. The governor accepted the invitation. Thos. Harlin presented Gov. Cleveland

WITH A WATCH

made by his grandfather in Connecticut in 1790, when his grandfather was an apprentice in a shop and which was repaired by the governor's grandfather when he succeeded Harlin as proprietor. The repair marks are visible on the case of the watch. The governor was much pleased with the gift, thanked Harlin cordially and asked him to write out a sketch of the history of the time-piece.

THE GOVERNOR'S RECEPTION.

The business men's meeting to-night at the Academy of Music was a great success. Ex-Mayor Grace presided. Henry Ward Beecher was received with wild enthusiasm, and before he had finished his characteristic speech a roar was heard outside and the crowd inside knew that Gov. Cleveland was coming. The cheer was promptly taken up. Mr. Beecher was unable to proceed. He stood with one hand on the speaker's table, watching the effect of the

GOVERNOR'S ADVENT ON THE PEOPLE.

In a few minutes Gov. Cleveland made his appearance. His reception beggars description. Every person in the vast audience rose to his feet and cheered and waved his handkerchief or hat as though out of hissenses. Mr. Beecher appeared to be greatly affected by the enthusiasm. Gov. Cleveland came to the front of the stage and made several attempts to speak.

THE GOVERNOR'S SPEECH.

He was not allowed to proceed for fully five minutes. At last he succeeded in saying.

Ladies and gentlemen, I thank you for this kind reception and I assure you that it is a cause for congratulation that so many of the business men of this metropolis have found reason in the pending political strife for

UNITED AND EARNEST EFFORT.

It has ever been my firm belief that one reason why we as a people do not enjoy to the utmost the advantages of our form of government, is found in the fact that our business men are apt to neglect their political duties. The idea is too common that there is a heroism and virtue

IN REFUSING TO HOLD OFFICE,

and the stern denial of any interest in politics seems to be regarded by many of this class as the least asservation of their private views and business integrity. The safety of the interests they have in charge are closely connected with a wise administration of the government, and it has always seemed to me that if a regard for

THEIR DUTY AS CITIZENS

did not impel them to take a more active interest in political affairs, the desire and need of self-preservation should. I believe that to be the best administration of a government which is accomplished when it is conducted on business principles, and it is quite apparent to me that the active participation of your business men in political campaigns is an effective mode of using these principles on the management of public affairs. I construe this large and enthusiastic meeting to a determination on the part of the business men, as the promise of a time when they shall find the path of duty as well as interest in a practical interference with political issues."
