RUN OVER BY THE CARS.

Special to the Gazette.

BONHAM, TEX., Oct. 19.—This morning the dead body of a man was found three miles east of here lying on the railroad track, cut into two parts. The pieces were gathered together and brought to town. The coroner summoned a jury and held an inquest. A verdict was rendered that the man came to his death by being run over by the cars. Drs. Martin and Hancock made the examination for the jury. The body was identified as being Walter Chisbire, a farm hand near Dodd City, lately from St. Louis county, Mo.

RUN OVER BY THE SWITCH ENGINE.

Special to the Gazette.

SAN ANTONIO, TEX., Oct. 19.—Jim Woodruff, a negro yard hand at the Sunset depot, was accidentally run over by the switch engine about 12 o'clock last night and so horribly mangled that it was thought he could not live until morning. His right arm was completely pulled out of the socket. The left arm was mangled and he was otherwise fearfully injured about the head. He was taken to the Santa Rosa hospital, where he still lives, though it is extremely doubtful if he can recover. Woodruff is universally respected as a faithful and good darky.

CONFLAGRATIONS.

A STEAMER ON FIRE.

GALVESTON, TEX., Oct. 19.—Fire was discovered this afternoon in the hold of the iron steamship Acacia of the Acacia Steamship line of Sunderland, England, plying between Liverpool and Galveston. The Acacia has been lying at the wharf for several days past loading with cotton for Liverpool. At the time of the fire she had 2300 bales of cotton and several hundred tons of coal on board. The fire had been burning several hours before discovered. Four tugs and the entire fire department are now flooding her hold. The intention is to flood the hold until the vessel sinks to her main deck. At half-past eight while the firemen were busy engaged in filling the hold one of the firemen fell from a barge and was drowned.

A BLAZE IN THE METROPOLIS.

NEW YORK, Oct. 19—Early this morning a fire broke out in the second floor of a four-story brick building at 242 and 244 Plymouth street, Brooklyn, occupied by Rice's Box and Toy company. It rapidly extended through the building. The third floor was occupied by Wm. M. Peck, a wall paper manufacturer; and the fourth floor by John Bundy, a manufacturer of electric instruments. All these tenants suffered the entire loss of their stock and fixtures, valued in all at nearly $50,000. The flames spread to No. 240 adjoining, the first floor of which was occupied by E. Gellando, a picture-frame manufacturer; the second floor by James Walton, a dealer in woodenware. These parties suffered a loss of $50,000, fully insured. The four story brick building, Nos. 246 and 248, also caught fire. The first floor was occupied by S. Ranich, a nickel plater; the second and third floors by Wm. N. Peck and the fourth by the Fulton Electric company. The numbers 252 and 254 adjoining, occupied by Frederick Loy & Co., printing ink manufacturers, were damaged considerably but the loss could not be learned. From this part the flames spread through to Water street completely destroying Nos. 257 and 259 on that street. The first floor was occupied by Wm G. Brown, a manufacturer of dyes; the second floor by Wm. N. Peck, and the fourth floor by Ryggles' Button company and the Brady Electric company.

The cause of the fire is unknown. The buildings were a part of the Carri estate and the damage on them is estimated at fully $100,000 (partly insured), while the loss of the entire stock and fixtures is estimated at $100,000 more. While the engines were on the way to the scene one upset and severely injured Henry Fitzsimmons, a driver.

A MIDNIGHT BLAZE.

LONG ISLAND CITY, N. Y., Oct. 19,—The buildings extending from Eighth to Ninth street on Vernon avenue, consisting of five dwellings, two stores and a house of the hose company, burned at midnight tonight. The loss is $80,000; partly insured.

A BLAZE IN THE OLD DOMINION.

PETERSBURG, VA., Oct. 19.—Last night at Farmersville, in this state, the planters' warehouse, three tobacco factories and six tenements burned. The loss is $100,000, all insured except the warehouse.

A FIRE IN RUSSIA.

MOSCOW, Oct. 19—Several warehouses and the German theater in the center of the town are on fire. It is likely the flames will spread to the surrounding buildings.

FORTY-ONE HORSES BURNED.

MERIDIAN, MISS., Oct 19.—Forty-one horses were burned to death in the Rosenbaum stables this morning and a large mill was destroyed. The loss is $30,000; insurance light.
