

THE ORIENT.

an invaluable light upon the most sacred and profound problems of human history. The East has been the magnetic source of religion to the whole civilized world. It is the seed of civilization long before Greece and Rome were even named; it set in motion the philosophies of the world, and anything that can throw light upon its faraway deities and aspirations will be a gain to the present and all future generations.

Wheat Opened Steady Yesterday. Advanced During the Day and Closed Higher. Cotton Was Higher—Live Stock Transactions Were brisk—The Money Market Easy.
